SCOPE

This policy applies to:

- all staff/responsible persons involved in management of funds transacted electronically
- all transactions carried out by Donvale Primary School via the methods set out in this policy

POLICY

Internet (electronic) banking offers an online facility (via a website) which provides users with the ability to undertake various banking functions, such as checking account balances, transferring funds between accounts, Direct Debit, Direct Credit and Bpay. Donvale Primary School also has the facilities for parents to make online payments via Compass. Donvale Primary School has developed this policy consistently with the Schools Electronic Funds Management Guidelines and Section 4 Internal Controls of the Finance Manual for Victorian Government schools.

IMPLEMENTATION

- Donvale Primary School's school council requires that all actions related to internet banking are consistent with The Department's Schools Electronic Funds Management Guidelines.
- Donvale Primary School's school council approves the use of Combiz as the approved software for all internet banking activities as individual authority and security tokens are required.

- All payments through internet banking software must be consistent with Department requirements and must be authorised by the Principal and one other member of school council nominated by the school council.
