At Donvale Primary we recognise that the transition from pre-school to school is a big step for young children. We believe that it is important that children feel confident in a school setting in order for the start to their formal education to be positive.

Throughout terms 2 and 3 we will be running our Leap Frog Program which will allow your child to familiarise themselves with school life, teachers and their peers. This program is designed to boost the self-esteem and confidence of your child.

Please note: Your child does not have to be attending prep at Donvale Primary in 2012 to attend this program. It is open to all 4-year-old kindergarten children in the area and there is no cost to attend this program.

Whilst the students will be seeing different areas of the school during their activities, drop off and pick up will be from our school library located in building A. Refreshments will be provided for parents whilst the students are completing their activity. Parents can feel free to stay and have a chat to other kinder parents or return to pick up their child at 3pm.

To allow us to best organise these sessions, please book a place for your child by calling our office on 9842 3373. We have also attached a consent form which will need to be returned at the first session.

We look forward to meeting and working with you and your child soon!
