As Term 3 for 2012 comes to a close it is a good time to reflect on what has been achieved.

During this term, the children have had amazing opportunities to encourage them in becoming critical thinkers. As recent as this week, for example, our year 5 / 6 students’ unit on ‘Asian Studies’ culminated in a fabulous Expo. Students, staff and parents had the opportunity to experience cultures from many of our closest Asian neighbours. We were treated to samples of exotic foods, clothing, music and dance as our senior students presented their learning in a hands on, creative and engaging way. Well done to everyone. It was a fabulous event strongly supported by our parent community.

Our Year 3 / 4 students also celebrated this term’s Integrated Studies unit by presenting a magnificent display of their learning. The children were engaged in a problem solving technology project which required them to create representations of the concepts ‘Day and Night, Season through revolution, Phases of the Moon and Solar / Lunar Eclipses. It is always terrific to see our children so engaged with their learning. The opportunity to be creative and curious allows for much deeper and rich learning. Well done to the students and teachers in this level.

Across the school, the children have participated in Hooptime, District Athletics (Congratulations to our team who this week competed and came 4th overall – an outstanding achievement!), Dream Puppet show presentations, Book Week celebrations, Star Lab incursion, State Schools Spectacular, Mini Olympics, Australian Mathematics competition, Musical performances including the Marimba workshop and performance at Manningham Square Festival , UNSW Assessments, Wiseones, Gateways, Gymnastics, Chesterfield Park excursion, Fire Education Visit, Junior School Council visit to Manningham Council, Book Fair, Round Robin competition, Leap Frog Transition Program, Footy Day lunch, Casual Dress Day …Phew! Our wonderful school community, Parents Association and School Council, continued to support us in a variety of ways. We had a Father’s Day Breakfast, Trivia Night, Working Bee, Coles Tunstall Square and Bunnings BBQ, Active After School Care Program, Open Day, Junior Chef… and more!!

Also, on Tuesday of this week, we were given the opportunity to proudly show off our school once again. We were hosting a Principal tour group from New Zealand. Approximately 30 Principals visited Donvale PS to view our fabulous teaching and learning programs with the particular focus on ICT. A highlight of their visit was our buddy program in action where they had the opportunity to view our Year 6 and Prep children working collaboratively on a story project with their netbook computers. The Principals were also treated to a musical interlude with our Marimba Band performing magnificently, as always. They even had 3 of the Principals join in with one of their performances. Our Year 1 / 2 children also showed off their musical ability when they performed an item with the ukuleles. Our visitors all left our school very impressed by what they saw. Many will be taking back to their schools in New Zealand some of
the practices and ideas they witnessed. Many thanks in particular, to Ian McKinlay, Rick Gordon and Anthea Keep in ensuring that the tour was a most memorable one for our visitors.

**OSHClub News.**

Last week, it was brought to my attention of a rumour doing the rounds regarding OSCHClub closing. **This rumour is not true. OSCHClub is not closing down.** OSCHClub will be continuing into term 4 and 2013.

Rumours such as these can cause much undue distress amongst our community. I ask all parents to please come to see, call or email me if you have any queries or concerns that need to be addressed. I am more than happy to provide the truth.

**Survey Reminder**

A parent survey was recently sent home. Just a gentle reminder asking all surveys to be returned by this Friday 21st September. We value your input and so very much appreciate you taking the time to complete this survey.

**Canteen News**

Sadly, the canteen will be finishing up at the end of this term. I am very keen to continue a canteen service from the school however this is proving to be quite problematic at this point. School Council will continue to pursue this however it will take some time. In the interim, so that the children still have a canteen service available to them, I have arranged for a local catering company called ‘Miss Peppercorn’, to provide lunches for our students one day a week. At this stage, this day is Thursday. I am hoping to expand this to two days per week possibly next year, depending on the response. The service provided by ‘Miss Peppercorn’ requires parents to create and account online and place lunch orders online. The lunches will then be delivered to school and distributed to the children. All information regarding this service is in this newsletter including the pricelist. I encourage all parents to give it a try. I would appreciate any feedback regarding this service.

As this is the final newsletter for third term, I would like to take the opportunity to thank everyone in the Donvale Primary School community for their efforts throughout the term and year.

Parents have been fantastic in their support of the school and our students have worked very hard to achieve many considerable successes. Finally, my thanks to the staff for their professionalism and dedication to their duties and particularly, the children.

I’ll just leave you with some things to think about over the break.

Everyone has some notion of the optimum conditions in which children learn. I am sure there would be a lot of agreement on many of those conditions – having a good teacher would be one that everyone would agree on.

If we were to look at all the students who do well at school compared to those who ‘struggle’, and asked the question, ‘What are the things in place for those kids who do well that those who struggle don’t have in place?’, I think the answer would come down to a few simple, and probably obvious, principles.

- **Good school attendance**
  Apart from the obvious reason - that the more time you spend at school with good teachers, the more you learn - good attendance is also an indicator that parents are serious about their child’s education and that there is some sort of organisation and stability in the child’s life. This is important.

- **Good teachers**
  What makes a good teacher? To me it is someone who cares deeply for the kids, knows them well and attends to their needs (academic and social).

- **Supportive Family**
  By this, I mean a family who have high expectations of their children academically, socially, behaviourally and one that works with the school to support their child’s learning at home. eg listening to reading etc.

- **Optimism**
  Happy/Positive people generally do better, bounce back when things go wrong, persist and believe they will succeed. A positive outlook can help enormously.

- **Reading every day**
  The simplest, most powerful thing you can do for your kids educationally, is to listen to them read every day for 20 minutes. Simple as that.

There are other things that contribute to a child doing well at school. I’m sure you have a few beliefs of your own. Feel free to let me know what you think – I’d be happy to share a few responses in the newsletter.

Have a great holiday!

Lena Clark
Naplan Results
Naplan results were sent home today with grade 3 and grade 5 students.

Lost Property
The office has a collection of precious lost items. If you think we might have something of yours, please come and look. We will be throwing them out if no-one claims them. We have a collection of toys/sunglasses/soft toys, etc.

Prep Enrolments
A reminder that all 2013 Prep enrolments are due by the end of October. If you know of anyone who is considering Donvale, ask them to ring and make an appointment or to pick up an enrolment form.

Sunsmart School
As we are a Sun Smart School, a reminder that students need to wear their school hat in Term 4.

WiseOnes Term 4
The Program is available for all Grades 1-6 and will be looking at The Vikings. Forms are available from the office.

District Athletics were held last Tuesday with our students doing their very best and achieving fantastic results. Every child competing ran their fastest, jumped their longest or highest or threw their furthest. It was great to see them all supporting and cheering for each other. Big thanks to the parents who visited and also supported the children. Over-all Donvale finished 4th on the day. Great effort.

Special mention to the following children who have won the right to compete at the next level (Division) on Thursday 11th October at the Ringwood Athletic Track (this is the first Thursday of Term 4).
- Jesse D (Triple Jump)
- Alexzandra N (Shot Put)
- Jessica S (Discus)
- Jayden B (Discus)
- Jon H (800m)
- William C (Triple Jump)
- Lachlan H (Shot Put/Discus)
- Jake G (Triple Jump)
- Elias S (Hurdles)

Parents will need to organize their child’s own transport to this event or arrange a car pool system. Keep up the training over the holidays and good luck.

Bike Education for Level 3 children will occur in Term 4 (dates will be confirmed later) during their Phys Ed session for a period of 4/5 weeks. Check that your child’s bike and helmet is in very good condition during the holidays, ready for this program.

October is “Walk To School Month” this year, so I encourage as many children to either walk or ride to school to support this program. This year, “Walk To School” will be a month long activity. We want to encourage children and their parents to start walking (if practable) to and from school on the first day of Term 4, and to keep it up for each of the 18 school days in October.

Mr Pianta

Lunch Orders Tomorrow
Normal lunch orders can be placed tomorrow with an early lunch at 12.30.

Farewell but not Goodbye
I would like to take this opportunity to say a very Big Thank You to all the meaningful messages that I have been receiving from both Staff and Students on the lunch order bags these past few weeks. I’m very touched by them all. I will be sad leaving Donvale Primary School Canteen but I am very proud to say that from when I first started 6 years ago until now, I have implemented great eating habits from the students, not to mention the staff. My homemade Mac Cheese, Spag Bolognaise and Angie’s Quiche being my top sellers says it all. I used to make up to 70-80 hotdogs a week back then, well that has definitely changed and lucky if I make 30 a week now. A lot has changed over the years from selling an assorted range of lollies to selling rice crackers, cheese cubes and dried sultanas. Goes to show if you offer healthier options, the students do adapt.

I would also like to thank Kathryn Soterales who has been my off sider over the past two and a half years, I have been very fortunate to have such a committed worker.

So again I thank you all for your support over the years, I will see you around the school as I am still a parent of the school.

Angie (Supper Cookie)
On Tuesday 30 principals from New Zealand visited our school including the DJC room. They gave many complements about how supportive our school community must be to result in DJC program running so smoothly.

Also they sampled our creation "Mini Chocolate Mooncake" which was based on our recipes from last year.

Thank you to Natasha B, Thomas D and Ben S all from 56A for donating the ingredients.

Next term’s highlight will be our annual DJC Christmas Party which is on Friday 7 December 2012 over lunchtime.

The children are very excited and already making menu requests for the event.

Have a lovely break.

We don't cook, we create food.

Liang and Jaqui

BIG THUMBS UP TO:
- All level 4 children for their fantastic food creations for their Asian Expo.
- Will E OOB for baking lemon cakes with his grandma at home.
- Dante P OOA for always helping his Mum cooking at home.

Parents Association News!

Book fair Update.

Thank you to everyone who participated in our recent book fair. We sold lots of books, and therefore were able to earn quite a few new books for our library.

For those who have paid for books on backorder, our order has been processed by Scholastic, but we have not yet received the order. If they do not arrive at school within the next day, we will give them out to the students as early as possible in term 4.

If you have any questions, please contact Karin on 0419 583 990 Thank you.
DISTRICT ATHLETICS
Program Update

Dear Parents & Students,

Children had wonderful time during term 3 cooking delicious dishes, enjoying AASC (Basketball and fitness/circuit), and lots and lots of theme craft activities. And now we are so close to school holidays with just one more term for the year to finish. Enjoy your holidays and see you all back in Term 4 with lots and lots of energy and hats as we will be in Term 4 with “No hats, no play” policy.

I would like to confirm that OSHClub will be running as usual.

Online bookings for Mitcham and Blackburn Holiday Program are open. To avoid last minute rush or disappointment book in the children in advance.

Please make sure all enrolment forms are up to date and all medical action plans have also been checked and changed or updated if needed.

Remember bookings can be made right up til 12:00 the midnight before, or you can book on the day but there will be extra charge of $2.00. If you’re ever stuck and would like your child to attend OSH After School Care you can call me or leave a message on 0402 362 443 and I will get back to you.

September 2012

Dear Parents,

Welcome to Miss Peppercorn School Lunches. We are very excited to be providing our reliable, healthy and delicious lunch order service to the families at Donvale Primary School every Thursday commencing 11th October.

Our Food & Menu
Our food is simple, fresh, healthy, tasty and delicious. Yum! Our food is ‘homestyle’ made with passion by us! We understand the importance of nutritious food that encourages children to eat healthy. We closely follow the Victorian Government nutrition guidelines for schools - our menu is ‘Go For Your Life’ approved. Each season we change our Menu.

What you need to do
You will need to set up your account using our online service. This must be done before you can order your child’s lunch. We use FlexiSchools. Follow these steps to set up your account:

2. Click on “Click here to register” to create your account
3. Top-up your balance
4. Start ordering immediately - we are open!
5. Each time you order you can select our ‘allergy alert’ option which will print on your child’s label and advise our kitchen of the relevant allergy.

What Does it Cost?
The cost is the cost as shown on the menu plus a 25c fee for each order placed.

---

How Does It Work?
Go to www.misspeppercorn.com.au/schools and click “click here to register”. Then enter your student’s name, school and class, and add funds (say $50) into a pre-paid account.

You can log into the website at any time to place orders, up until 9:15am on the day of the order. As purchases are made, the funds are taken from your pre-paid account. The account can be topped up again in the same way, or set to automatically top-up via credit card when the balance falls below a pre-set minimum.

Each order is sent automatically to our kitchen, where an easy-to-read label is produced with the student’s name, class and order details.

At lunch time, we take the orders to your school and collate them ready for collection.

If you have any problems or would like assistance please call: Flexi Schools 8am-5pm on 1300 361 769
What payment methods can I use?
FlexiSchools accepts payment via Visa, Mastercard, PayClick and Bank Transfer. To perform a bank transfer to your FlexiSchools account, click ‘Top up Account’ when logged into the FlexiSchools website and select ‘Bank Transfer’; you will be given your unique EFT code. You can then make a transfer via your bank’s internet facility or at your branch.
Your Account must have a minimum of $20 in it.

Monthly Specials and Meal Deals
Our regular specials and meal deals will be emailed to you each month. We look forward to providing your children their lunch from Term Four.
