To ensure that the school environment is kept in the best condition possible Donvale Primary School Council has implemented a Maintenance Program of $50.00 per family for 2013, payment to be forwarded to the office by the 15th February.

Funds from the maintenance program will be used to cover work in the school grounds that is not achieved during our Working Bees. It is still preferred that families attend Working Bees.

Donvale Primary School holds one major Working Bee per term. Notice of upcoming Working Bees is advertised in Snippets. The $50.00 Maintenance Refundable Deposit is refundable on request in writing to the office at the end of the year if your family attend at least one Working Bee during the year. A sign in sheet will be available at each Working Bee to show attendance.

We look forward to your continued support in maintaining our beautiful school grounds.

Lena Clark
Principal
