Principal’s Report

Tuesday’s Open Day demonstrated once again just how strong the community spirit is at Donvale Primary School. We had a hugely successful day with many current and new families visiting our school. The Open Day at Donvale PS was a wonderful celebration of our all our students’ achievements. Visitors were able to enjoy visiting our classrooms where the high level of student learning was showcased. Our Performing Arts program was celebrated with visitors being entertained by the musical talents of our students performing in the School Choirs and the School Marimba Band. The Senior School students showcased iPad technology and how it is incorporated into their teaching and learning programs. Our Mandarin Language Program was celebrated with a visual display of our students’ talents. The iPad expo demonstrated how our 1:1 iPad program supports the students’ Literacy and Numeracy development. We showcased our ‘Donvale TV Live’ project where our students’ Literacy learning is promoted through real life authentic experiences. We celebrated our Visual Arts and Artist in Residence Programs with the stunning display of our new school mural. We excitedly discussed our whole school production coming up in Term 3. We informed visitors of our whole school camping program. We celebrated the sporting achievements of our students. Our Junior Chef program delighted visitors with a cooking exhibition followed by some delicious food sampling delights. Most certainly, a great night was had by all! Thank you to all the staff and members of our wonderful community who worked so hard to ensure that the Open Day and evening was such a wonderful celebration of our school. I particularly would like to thank the Gray family for ‘lighting up’ our school. The brilliant lighting display created such a marvelous ambience to the evening. Also a big thank you to the Warner family for arranging the ‘MCG’ lighting that turned the night into day. Karen Moule, Loula Tarenidis, Marita Warner and Kylie Glover were wonderful ambassadors for the school as they accompanied Ian McKinlay and myself on the school tours. Thank you for your strong support, positivity and endorsement of our school. Thank you to the amazing ladies of the Parents Association, in particular, Jo Wood and Kim Merton who arranged the hamburger and sausage sizzle BBQ. Thank you to the many parents that helped out at the BBQ stand with the cooking, selling, cleaning, preparing etc. Thank you to Martin and Liang Dimitroff and Jacqui Frigo for allowing our visitors to have a delectable taste of our Junior Chef Program. And thank you to our extremely dedicated staff that stayed on throughout the evening and enjoyed the celebrations with our students and families. Please accept my apologies if I have omitted to thank you personally within this report. Everyone has been just so wonderfully supportive.
I would like to share some comments from our visitors…

Dear Lena,

I wanted to write to thank yourself, teachers, parents and children for the most spectacular open evening last night. My son Ryan and I were impressed from the moment we drove up the street and saw the lights and smoke machine, he was squealing with delight and said he was so excited to come to his school.

There was such a positive buzz across the evening and all the Teachers and volunteers seemed so approachable and had a real love and commitment to the school. I was blown away by all the programs on offer and the amazing projects that were on display in the Art room. I am really thrilled to be coming to Donvale next year.

Congratulations to you all, the evening was very well thought out and executed.

And another endorsing comment to share with you...

It was only by our desire for adventure to locate the treasure that was creating the beaming light across the night sky last night that my son Jaydon and I happened to tumble in on your open night. What a treasure we found!!

Special thank you to your business manager Ricarda, who was very helpful and friendly. Also to Kylie who I believe was a parent assisting on the night and offered to show me around privately as I missed the tour of which we eventually caught up to yours.

Jaydon is only turning 4 this Friday so will start the foundation program in 2015 and we will certainly be looking to enrol him to your school.

Please do pass my thanks on to the rest of your fantastic team.

I also wish to thank the wonderful team of parents that joined us last Sunday at our Term 2 Working Bee. We had a terrific number of families come along to help tidy and prepare our school for the Open Day. I think you will all agree, that the school is looking absolutely wonderful. With the new signage now displayed and the mural almost complete, there is a new, fresh and vibrant look to our school. The front garden is looking sensational – thank you to Liang and Martin Dimitroff, Marina Younger and Jacqui Frigo who have donated plants and worked in creating and maintaining this garden. Thank you to Loula Tarenidis, Donna Moulton, Liz Waycott Georgia Loccisano, all members of our Arts Committee who have painted, painted and painted some more! Thank you to John Tarenidis and Eddie the handyman for putting up all the new signage around the school. It looks brilliant! Thank you to Paul Nitsos for doing some much needed digging in places that seriously needed to be dug. Thank you to Russell Waycott and his father for coming along on a cold and rainy night to high pressure clean the ramps leading into the Junior Building and Art room. And thank you to the following families who came along to our Working Bee, rolled up their sleeves and worked to make our school look superb!

Gray family, Moulton family, Tarenidis family, Dimitroff family, Apsey family, Younger family, Mangonis family, Giannakenas family, Pappas family, Harrison family, Wood/Pizzey family, Sabbadini family, Warner family, Neale family, Macdonald family, Miles family, Marshall family, Leyh family, Merton family, Scott family, Nitsos family, Loccisano family. Apologies if I have omitted anyone.

And of course a big thank you to Mr McKinlay for helping out and to Mr Pianta for organizing the Working Bee and being such a huge help on the day.

**ThinkUKnow Information Night**

**Next Wednesday 29th May**

6.30 pm Senior Building

Are you concerned about the safety of young people online? Would you like to learn how to help kids stay in control whilst using technology?

As part of our on-going cybersafety education program, we have been able to book a Think U Know information night here next Wednesday.

ThinkUKnow was developed in the UK by the Child Exploitation Online Protection (CEOP) Centre to raise awareness of Internet safety and security issues. The Australian Federal Police (AFP) and Microsoft Australia have joined together to deliver the Australian ThinkUKnow program which is proudly sponsored by ninemsn and DATACOM. ThinkUKnow has provided two trained volunteers to deliver the Internet safety and security education presentation.

This is a great opportunity to educate our community about how young people use the Internet and how they can reduce their exposure to risk. Please make an effort to attend. Parents of Level 4, 5 and 6 students are particularly encouraged to join us for this informative evening. The presentation is not recommended for students.

From The Sports Desk

Our District Cross Country was held today. A big thanks to the many children who showed the enthusiasm, desire and commitment to participate in this strenuous and challenging event. Each child is to be congratulated.

Level 5/6 Inter School sport begins next Thursday. Our Tee-Ball team competes on our own oval, Soccer games are at Donvale Reserve (students will walk there), while our Netball teams will travel (by private car) to the Templestowe Netball Courts. All parents are most welcome to support our children at any of the venues.

CRE

The prep children have been learning the characteristics of God. Last week they heard how He sent his son Jesus "as a light" to show us the right way to go and to make good choices. Today they heard how they can pray to God anytime and anywhere and He will always listen! They heard the Lords prayer found in Luke 11:1-4.

The Grade 1/2 children have been learning that how they feel matters to God, and the importance of sharing their feelings. We have also discussed the importance of working together and co operation.

This week the children heard that Jesus was sent to Earth just as God had promised. We talked about keeping our promises and the importance of honesty and trustworthiness.

Jesus said: "God has chosen me to tell the good news" Luke 4:18.

Have a great week! God Bless! Cheryl Shanks.
Junior Chef Club

Our school open day special session was a huge success, our theme was "COOKIES". The children baked lots of cookies, decorated the packaging, packed the cookies and gave them away to our visitors, they were fantastic.

They talked in front of the visitors, and answered their questions confidently. Some of the visitors even came back to DJC room later just to talk to the little chefs. Their home made cookies were a big hit with many requests for the recipe. I'm really proud of the children, well done boys and girls.

Thank you to the Frigo, Moule, Gray and Larder families for their donations. Also thank you to Jaqui Frigo, Karin Moule, Marina Younger, Kim Merton, Liz Brown, Kylie Gray and Martin for helping in the program.

The visitors weren't just impressed with the program and the children involved but also with the community support that we put into the program. Thank you everyone for your endless support.

Next term's timetable will be send home in the last week of this term.

We don't cook, we create food.

BIG THUMBS UP:
- Emily Y (56G), Chantelle F and Nash D (34M), Angelica F and Megan T (34E), Mira C and Angus P (12F) for being a FANTASTIC Ambassadors of this program at the school open day.
- Christian L (56C) and Indi M (FRG) for doing a good job as the group 5 leaders.
- Holly M (34P) for caring about her friend who needed special dietary food.
- All the junior chefs that came to the DJC Room with their families and proudly explained to them about this program.

FROM THE STUDENTS:
- Emily Y (56G) : Exciting, I was a bit nervous talking in front of so many people but after all it was a fun talk.
- Mira C (12F) : I like cooking club and I made so many cookies for our school visitors.
- Chantelle F (34M) : Awesome, I was so proud of myself because I made cookie dough from scratch by myself in front of the school visitors.
- Angus P (12F) : I made lots of cookies for the visitors and I think my cookies were the best in the world, I was so excited people come to visit me and talk to me.
- Nash D (34M) : I was so excited as many people come to see me making cookies.
- Megan T (34E) : It was nice making cookies and I felt good and It was really fun.
- Angelica F (34E) : It was really fun making cookies, I was so excited to see so many people visit us.

**LIANG'S SIMPLE CHOC COOKIES :**
(makes about 24 cookies)

- 125 gr of margarine or butter
- 1/2 cups of raw sugar
- 1 egg
- 1 1/2 cups of Self Raising Flour
- 2 Chocolate bars chopped (the ones that the school sold on our fundraising last term)

The big hit was the Cherry Ripe Cookies and the Time Out Cookies. (soften the butter first and than mix them all well, flatten them with your hand, bake for about 8 or 10 minutes at 180°C). ENJOY.
What a great week we’ve had in the Performing Arts area!

Over the past few weeks we have been concentrating on Australian music, having a go at mimicking animals in Aboriginal dances, having fun with Bush dancing and playing Bush Band instruments (Tea chest bass, lagerphones, washboards, spoons) to traditional Aussie songs such as “Click go the Shears” and “The Old Bark Hut”.

On Monday the years 5 and 6 students presented their Australian dances. As part of their assessment for their digital portfolio each class was required to choreograph an Aboriginal dance, a Bush Dance or a Contemporary Dance set to Australian music. The students put in a magnificent effort, working together in teams and putting in effort with their costumes and dance steps.

Tuesday was of course our Open day/night. The three choirs and the Marimba Band each presented some of their favourite works, which seemed to be appreciated by all the parents and visitors who attended.

Thank you to those parents who made sure their child could be in attendance to participate in a wonderful evening!
Edgar's Mission visit

The students in Level 5/6 had a great time on Wednesday afternoon meeting many happy and healthy farm animals and joining in a mature, reflective discussion with Pam Ahern (the founder of Edgar's Mission) and Meg and Kyle, her trusty sidekicks. Many topics were sensitively discussed, from making informed choices by reading product labels, to ways we could improve the lives of people and animals around us in very simple ways. The main message spread by Pam and her volunteers was one of kindness. The motto of all at Edgar's Mission is 'If we could live happy and healthy lives without harming others... why wouldn't we?' The students thoughtfully discussed what this statement means to them as individuals. One year 6 student commented to Pam that he thought 'You can't possibly be happy if you are unhealthy, so treating animals in a kind way makes sense'.

Check out the picture page of so many happy faces across our school when the students in Foundation to Level 3/4 had their chance to meet and greet Timmy, Polly, Carmello and Mrs Jeeves.

I would like to say a HUGE thank you to all of the students, parents and staff who entered our jelly bean guess competition. The money donated went directly to Edgar's Mission and the donated Weetbix for the animals lunch. A big thank you must go especially to Jaqui and Bianca Frigo for their assistance all day. All of this support is very much appreciated by Pam and her volunteers. This is the 3rd time Pam and her happy farm animals have visited our school throughout the years and it was lovely for myself and the students to reconnect with her and Timmy, the very handsome sheep!

If you have the time, have a look at www.edgarsmission.org.au/ to learn more about Edgar's Mission and the fabulous work they do.

For those of you who are unable to make assembly tomorrow for the announcement, I'll let you know now that the total money raised with the 5/6 Vegetarian lunch, jelly bean guess competition and donations was $200. Edgar's Mission is outgrowing their current farm, and Pam tells me this will definitely help towards a new one! Thank you!!

Lashay Cartledge

Angelica F of 3/4EB has written something for you all to read about what Edgar's Mission means to her. Pam awarded Angelica and Chantelle, her sister, the Edgar's Mission Emperor's award for their tenaciousness in ensuring that their handsome Rooster Carmello, whom they rescued from certain fate from the school hatching program (which we no longer conduct), will continue to live out his days in peace and comfort at Edgar's Mission, doing what Roosters are meant to do! Thanks Angelica & Chantelle!

EDGAR'S MISSION VISIT DONVALE PRIMARY SCHOOL

Edgar's Mission is a sanctuary for rescued farm animals. Pam Ahern is the owner of the farm, she started it about ten years ago. She first bought a pig that she called Edgar Allen Pig, "Edgar " . She could see how special he was and wanted to show everyone so they could see how special animals are if you can just see it. That animals deserve a good life too.

That was the start of EDGAR'S MISSION, a place where animals could live safe and free to do what they were meant to be able to do and could show that to everyone too. She then got pigs from famous films like Babe and Charlotte's Web. They were used in the film and then had no where to go after all they did as great actors for the people.

A lot more animals have come to Pam since then and for lots of different reasons. Some rescued from a very sad life and some because they had no where else they could go.

Pam has many helpers and volunteers who help her now, she has more than 200 animals. That's takes a lot of time to look after. It is very busy for her to take time to visit us. Pam has a belief about animals and us people "If we could live happy and healthy lives without harming others......why wouldn't we?"

Pam wants to tell everybody to care about animals and to see how they feel when people are not nice to them. She wants people to see that things can be different and done better for everyone, the people and the animals.

The animals on the farm: Pigs and piglets, Chickens including lots of roosters and ex battery hens, Cows and calves, Sheep and lambs, Goats and kids, Horses and foals, Donkeys, Dogs, Ducks, Geese, Peacock, Rabbits, Deer and Alpaca and others.

EDGAR'S MISSION IS AWESOME AND I LOVE IT.

Basketball Trivia

Definition:
Basketball is a popular game played on a court by two opposing teams of 5 players; points are scored by throwing the basketball through an elevated horizontal hoop

Peach baskets were used as the first “hoops” and the first backboards were made of wire

The first basketball was actually a soccer ball. The modern basketball was introduced in 1929

Kareem Abdul-Jabbar holds the record for most points scored in his 20 year career at 38,387 points

What a great world game
