Principals Report

Our new sports uniform is now available and being proudly worn by many of our students. They look fabulous! The children are commenting on how comfortable they are and how good they feel wearing them. This is a terrific start to positively transitioning our school from the old uniform to the new. Beginning Term 4, the new academic uniform will be available for purchase and we look forward to seeing as many of our students in the new uniform as possible.

School Council and the relevant subcommittees have been working hard in updating our Uniform Policy and dress code so that it aligns with our new uniform and school expectations. As of Term 4, the Uniform Policy and dress code will be strictly enforced. In a week or so, I will be publishing this document so I ask that all parents familiarise themselves with the Policy our school’s uniform expectations. Even if you will not be purchasing our new uniform, it needs to be noted that the dress code, whether it be old or new uniform, must still be adhered to. I ask any parent that has concerns about this, to please come and speak with me.

Further to our School Policies, as we continue to develop, grow and change, so too will the needs of our school. As such, we are obliged to update all our Policies to ensure that they are in line with the direction and vision of the school as well as departmental expectations. A key role to the school’s Education Sub-Committee is to develop and update all school policies. Updating many of our academic policies has been necessitated with the introduction of the new Australian Curriculum. Much work has taken place by the Education subcommittee and staff in this process. The Policies which have been updated thus far are English; Mathematics; The Arts; Physical Education; LOTE (Mandarin); Integrated Curriculum; Assessment and Reporting; Civics and Citizenship; Camping; Personal Learning; Design; Creativity and Technology; Thinking Processes; and Interpersonal Development. These draft updated policies are now available for viewing on our school website. Please take the time to read and provide me with feedback if needed. I will be seeking ratification from School Council for all of these policies when we meet next week on August 14th.

On Tuesday of this week, some of our students attended the Manningham Chinese Interschool Speech contest at Serpell Primary School. Mrs Sheena Saw, our Mandarin Teacher, gave us a glowing report on the outstanding presentations our students made. There was much competition and considering this was our school’s very first effort, we are extremely proud of Anna, Jessie, Joanna and Carys achievements – all students from 5 / 6G. Thank you to Mrs Saw for the planning and organising required for our school’s participation in this contest. We will continue to build on our learning and present again next year.

iPads are now in the whole school. Foundation to year 4 classes have been allocated banks of iPads so that they may utilise this technology into the teaching and learning programs. Teachers are very excited in having the opportunity to explore different teaching strategies with their students and to utilise the education apps that aim to get our students connected, communicating and creating. Thank you to Rick Gordon in working tirelessly to enable this program to happen in all our classrooms.

LipSync is on again and so far I have had the pleasure of viewing the Year 3 / 4, Foundation and 1 / 2 students. It is terrific to see the creativity in dance movements that some of our students are displaying. It certainly takes a lot of courage to stand before an audience to perform in any manner so I have to say how proud I am of all our participants. I think you are great! Thank you to all the parents and staff, particularly Mr Reiter, for supporting this fun lunch time activity for our students.
The Election date has finally been announced and our PA has immediately swung into action. As DPS is a polling school, the PA has grasped this opportunity for our school and are currently organising a fundraising event to be held on this day. A variety of stalls will be set up around the senior side of the school (adjacent to the GP room) as well as a Car Boot Sale where we are currently seeking stall holders. There will also be baked items, a sausage sizzle and a coffee van for those that are feeling a little peckish and thirsty. It is a wonderful opportunity to showcase our school to the wider community as well as raise some much needed funds. More information regarding this day can be found in this newsletter.

Finally, a reminder that Sunday August 18th is the day scheduled for our Term 3 Working Bee. As always, there is much to do so if you have some free time during the morning, we would very much appreciate your help. Painting and fence building are two projects planned for this day as well as the usual tidying up of the school grounds. The PA is cooking a sausage sizzle for the weary workers to enjoy at the end of the morning. I look forward to seeing as many families attend as possible.

Regards
Lena Clark

**Manningham Chinese Speech Contest.**

Last Tuesday, four students from our school participated in the first Manningham Chinese Speech Contest at Serpell Primary School. This was a wonderful opportunity for our students to be involved.

The aim of the contest was to encourage learners who are studying Chinese to showcase their language skills, it was a challenging context and promoted Chinese language programs in our community while motivating students in language learning. Our students, Anna, Jessie, Joanna and Carys, did a fabulous job! (especially as this is their first year of learning Mandarin formally)

**From The Sports Desk**

Tomorrow our Grade 5 & 6 children compete in their Basketball/Hooptime competition at the Nunawading Stadium (Burwood Highway). We wish them all the best and to enjoy the experience. Special mention to Ingrid B, Georgia L, and Billy M who are unable to play in our teams due to the level of basketball they play on Fridays, but have taken on the task of coaching out “Future Stars” teams with much enthusiasm and dedication passing on to others the knowledge and skills they have developed.

A reminder that all basketballers should be at school between 8.30am/8.45am on Friday for singlet fitting and ready to leave by 9.00am as the first games begin at 9.30am. All parents are welcome to attend and support our teams.

DONVALE JUNIOR CHEF

This week’s session was very engaging, we didn't just discuss about the technique and method of hamburger making but also about the notion of fairness.
The children realised that they can't get extra food just because they ate their share quickly.
And I am very proud of them because they understood and accepted sharing the food.
On the top of their fantastic attitude, their creations were fantastic too.
Salad, coleslaw and tomato sauce turned into masterpieces when side by side with their burgers.
Well done boys and girls.

So far group 1, 2 and 3 have requested crispy dumplings, cheesecake and hamburgers for their Christmas party.
Also they want to explore more about "Curry" for next year's sessions.

Thank you to the Frigo and Loccisano families for their food donations.
Also thank you to Jacqui Frigo, Kim Merton, Mr P, Mrs Clark and Martin for helping in the program.
Next week is the turn of group 4 to have fun with us.
Ingredients we need are: tomato and cucumber.

We don't cook, we create food.
Liang Dimitroff

BIG THUMBS UP:

- Chris W (56C) and Abbey G (12J) who did a great job as the group leaders.
- Zoe S and Elyse S both 12J for asking questions to the DJC senior members about the details of our party.
- Ruby B, Abby M and Tahlia S all from 56R for looking after our junior members.

FROM THE KITCHEN:

- Mitchell L 56C : Loved it, the extra soup was spicy and hot.
- Jessica C 34M : Spectacular.
- Chloe A 34M : It was one of the best burgers I've had.
- Sophie L 34M : Spectacular, I want more.
- Nadia S 34M : It was awesome.
- Christopher A 12J : I wish I can make 1 every day.
- Abbey G 12J : It was Spectacular
- Kate B 12J : Spectacular, I want more.
- Scarlett H 12J : Spectacular
- Luca L 12J : Best hamburger I've ever had.
- Elyse S 12J : I want 10 more.
- Zoe S 12J : Delicious.
- Jesse Y 12J : That's delicious and I want to have 100 times.
- Zac T 12J : So delicious, I could eat 1000 times.
- Tahlia S 56R : Really delicious and best I've had.
- Abby M 56R : I'm having this tonight.
- Ruby B 56R : Best burger I've ever had in the world.
- Chris W 56C : I enjoyed making it and I think others will enjoy it too, the extra soup was nice too.
You will need
- Corrugated cardboard
- Scalpel
- Cutting mat
- Sharp pencil or pen
- Rubber bands
- $2, $1 and 20c coins

What to do
1. Cut a piece of corrugated cardboard about 25 cm long and 10 cm wide. Make sure the corrugations are running along the length of your rectangle.
2. Fold the long side of the cardboard, about 2 cm from edge. Then make another fold about half a centimetre further in from that fold.
3. Put rubber bands around the cardboard to hold the folds. If you look at the cardboard from the side, it will be in a j shape that creates a groove for the coins to sit in. Put some coins in the folded cardboard and tilt it. The coins should roll freely along the groove.
4. Make 3 marks along the groove, each 5 cm part.
5. Put a $2 coin in the groove near the first mark. Draw a line about 1 cm above the top of the coin, and 2 lines each 5 mm from each side of the coin. Label this hole, ‘$2’.
6. Put a $1 coin in the groove near the second mark. Again, draw a line about 1 cm above the top of the coin, and 2 lines each 5 mm from each side of the coin. Label this hole, ‘$1’.
7. Then put the 20c coin in the groove near the final mark, and draw lines around it as well. As per previous steps, draw a line about 1 cm above the top of the coin, and 2 lines each 5 mm from each side of the coin. Label this hole, ‘20c’.
8. Remove the coins and rubber bands, and then unfold the cardboard.
9. Look at the lines you drew around the $2 coin. Draw a line about 5 mm from the creases in the cardboard, and then join up the 4 lines to make a rectangle. Do this for the lines for the $1 and 20c coins also.
10. Use your scalpel to cut out the 3 rectangles.
11. Put the rubber bands back on to hold the cardboard in place.
12. Hold the cardboard with the folds towards the ground, and the end with the smallest hole slightly elevated. Put a coin in the groove on the elevated side and watch it roll down. Which hole does it fall through?

What’s happening?
In this activity you’ve sorted coins of different values based on their size. Money around the world comes in lots of different shapes and sizes. But whether you’re looking at Euros, Pounds or Yen, there are some striking similarities. Notes are almost always more valuable than coins. And within a currency, different valued coins will be different shapes or sizes.

Different valued coins have to be recognisable – otherwise you have no way of knowing what they’re worth. So coins have different colours and patterns on them to make them easy to recognise. However different sized coins don’t just look different – they also feel different.

As coins are different sizes, you can identify them by touch alone. This helps if you want to get change out of your pocket, but it’s also important for people who have difficulty seeing. Different sized coins mean you don’t have to see in order to use money.

Happy Calculating!

Performing Arts

We’ve made a wonderful start to term three!

Last week our school hosted a musical afternoon concert for Grandparents and other senior members of our community from local retirement homes. Our Choir and Marimba Band students performed and behaved beautifully and many attendees commented on how well they did.

We are now half way through our Lip Sync competitions. Grade three and four students set a fine example last Wednesday and the Foundation and grade one and two students did just as well this week. We wrap up this fun activity next Wednesday lunch time with our senior students.

Foundation students are beginning to learn words to songs for their very first production.

Grade one and two students explored sound on items from the kitchen and made their own shakers this week. Thanks to all parents who helped find and wash containers for this activity. We sorted and played them according to sound.

Drama is always popular! The older students have been exploring how various elements help make performances more interesting. This will assist with preparation for our Production in September.
Program Update

Dear Parents & Students,

Children were busy working on the giant pizza throughout the week. They also enjoyed the Italian food.

OSH will be supporting RSPCA’s Cupcake Day on 20th of August. By supporting fundraising for cupcake day for the RSPCA, you will be part of an exceptional group of supporters who understand the importance of pets in our lives. Your cupcakes will help give a surrendered puppy a home, rescue a neglected pony, provide emergency surgery to an injured kitten and save thousands of lives. So come and join this fight against animal cruelty with cupcakes.

Please make sure all enrolment forms are up to date and all medical action plans have also been checked and changed or updated if needed.

Remember bookings can be made right until 12pm the night before, or you can book on the day by calling or leaving the text message but there will be an extra charge of $3.00 for bookings within 24 hours. If you’re ever stuck and would like your child to attend OSH After School Care you can call me or leave a message on 0402 362 443 and I will get back to you. For some reason if you need to cancel the child from attending the after school care session you can cancel online or leave a text message on the program phone.

**Basketball News**

Two wins and three losses were our games results for last Saturday. We called in to visit the Dinosaurs training on Wednesday. They are so impressive! Very proud of our boys they are well behaved and were having lots of fun while listening to their coach. Penny (coach) was running some really cool drills too. The Dinosaurs are a well oiled basketball team. The boys have chosen to have a Captain and Vice captain voted in by the players. Congrats to J.D as captain and Samuel M as vice captain. Keep up the good work boys!
