Welcome back! I trust everyone enjoyed the holiday break. Even if you were working through, I hope that you had the chance to spend some more quality time with your children. It was lovely to see the children back on Monday morning excitedly catching up with their teachers, friends and classmates. The teachers have some exciting teaching and learning programs planned for this term with several of our students having already attended excursions and incursions this week. With our units of study this term being science based, the Year 5 & 6’s visited the Melbourne Aquarium yesterday. This excursion supported their learning on marine life. By all accounts, it was an interesting day of learning that was very much enjoyed by our senior students.

Building Works Update I have been advised that an architect has been appointed to conduct the building works for our Visual Arts and General Purpose rooms. When meeting with the prospective architects, we discussed a general upgrade of the rooms with new storage, flooring, shelving, cabinets etc. The rooms are both structurally sound, however, they are very much in need of a renovation. It is exciting to know that this will now happen. I will keep you in the loop with each stage of development.

Parent Requests 2014 A reminder that I am now taking requests for your child’s placement in 2014. This is with particular reference to other students. I would appreciate it if you could put this in writing and have it to me no later than Friday 18th October. Unfortunately, I will not be able to accept any requests beyond this date as the planning process will have commenced. I’m sure that you appreciate the complexities of this process. I would also appreciate your understanding that requests for teachers will not be accepted.

‘Expressions 242’ Art Show Planning and preparation for our very first DPS Art Show is well underway.
The Arts Committee supported by several volunteer parents are busy preparing this amazing event. I’m very excited about our Art Show. It allows for us to showcase and celebrate the wonderful Visual Arts Program and celebrate the creative talents of all our students. I know you will all be absolutely amazed at the brilliant art works that are being prepared for the show. Please place November 15 and 16 into your diaries. Your attendance and support at our inaugural Art Show will be greatly appreciated. More information is available in this newsletter.

Kind Regards

Lena Clark

Premier’s Reading Challenge

Congratulations to all the students who participated in the Premier’s Reading Challenge this year. Well done to the students who read the required number of books at their level, making them eligible for the Premier’s Reading Challenge Certificate. A wonderful achievement. A big thankyou to Marina Younger, Stacey Browne, Liang and Martin Dimitroff who spent many hours recording our students’ books online. Thanks also to Kerry Gerraty, last year’s PRC coordinator, for her advice and support. We greatly appreciate their efforts. It is another example of how good things are able to happen with the support and enthusiasm of our parent community here at Donvale.

Basketball News

Three wins and two losses were our games results for Saturday 14th September. It seems to be the same results every week but not always the same teams. Dreamers had a big win with Maddison H scoring a whopping 14 points! Daisy’s also a great win thanks to their fantastic Defence! Well done girls, defence is never as much fun as dribbling and scoring it is just really hard work. The Dinosaurs played without Alfie H who was injured prior to the game. The boys played really well and tried very hard but missed Alfie’s skills and team play.

The last game for the term our teams results were three losses and two wins. The Daisy’s and the Daffodils both worked really hard with very evenly matched teams. The parent’s voices must’ve been sore from all that cheering! The Delights played a team with a coach and parents who displayed really poor sportsmanship toward the referees. A credit our girls and the players of the other team who just got on with playing and ignored the antics. Well done girls!

Times for this week are as follows:

Dinosaurs: v Ser/st.Ch Cyclones @ 2.20pm Disc 2
Daisy’s: v Donburn Dynamites @ 11am Leeds st
Delights: v Bev Hill Belles @ 8.30am Disc 2
Dreamers: v Ser/st.Ch Sparkles@ 10.10am Disc2
Daffodils: v Donburn Divas @ 9.20 Leeds St

Uniform Policy and Dress Code

Policy Statement
In consultation with the school community and School Council a Uniform Policy including a Dress Code has been developed. We believe this provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.

1. Rationale
The purpose of this policy is to:
- Create collective and individual pride in students and their identification with the school.
- Foster ownership and a sense of belonging.
- Develop school unity by enhancing the atmosphere, tone, spirit and cultural norms of the School.
- Provide safety and security for both individuals and groups.
- Foster equality for all students.
- Enhance the school image within the wider community.

2. Implementation
- The DPS school uniform is sold on school premises by a contractor, opening for a minimum of one hour per week and further times as requested by the school to fit in with the DPS transition program.
- The Uniform Committee will operate a second-hand uniform service to allow the purchase of good-quality items at a low cost.
- The Dress Code will be displayed at the Uniform Shop along with details of uniform items and cost of purchase.
- Parents seeking exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability or health condition must apply in writing to the Principal.
- School Council, Principal and staff are responsible for the implementation of the School Uniform Policy and Dress Code. School Council requires the Principal to hold overall responsibility for the implementation of the School Uniform Policy and Dress Code.
- The following procedures will apply to students who do not comply with the Dress Code:
  a. A note will be sent home by the Principal informing parents that their child was not dressed in accordance with the School’s Uniform policy and Dress Code. This includes sports uniform on Physical Education class days and sports days. Parents will be reminded of the School Uniform Policy and Dress Code expectations.
  b. Parents requiring support to ensure that their child complies with the School’s Uniform Policy and Dress Code are asked to discuss the matter with the Principal.
  c. Students not in sport’s uniform on the day of an interschool event may be excluded from participation.

3. Dress Code
- The Dress Code applies during school hours, while travelling to and from school and when students are on school excursions.
- Students are expected to wear school uniform as identified in the ‘Uniform Items’ list below and ONLY uniform items from this list.
