Snippets

Donvale Primary School provides students with a positive educational experience to achieve their potential in a comprehensive learning environment that is caring, secure and stimulating.

Calendar 17th October 2013

Friday 18th October

- 3.00-3.45pm: Uniform shop open

Friday 25th October

- S.R.C. “Chill Day” - Icy poles/watermelon on sale at lunchtime
- School Disco - 5.30 - 9.00pm

Principal’s Column

NAPLAN 2013

Our 2013 NAPLAN results arrived this week. I am extremely pleased and proud to announce that our results were excellent. Our Year 3 students achieved above State results in the areas of Reading, Spelling, Grammar & Punctuation and Numeracy with Writing achieving at State level. Our Year 5 students achieved above State level in all areas. These are fantastic results with Numeracy being the stand out. We have a large number of students whose results placed them in the top 90th percentile across all areas – again outstanding results. I am extremely proud of the achievements of all our students and of the staff. Well done, everyone.

School Uniform

As mentioned previously, our Uniform Policy and school Dress Code has now been ratified by School Council. This means that the expectation for all our students is that they be dressed in the school uniform according to the Dress Code. This expectation applies to both our old or new school uniform. We are allowing Term 4 to be a time for our parents and students to familiarise themselves with these expectations and prepare for full uniform compliance commencing 2014. As stated previously, there will be a two year transition from old to new uniform for parents who wish to take up this option. A reminder that the sports uniform will be compulsory from 2014 for PE and Sports days. It’s great to see so many of our students in the new uniforms already.

Please go to http://donvaleps.vic.edu.au/school-info/uniform/ for all the information you need regarding our new uniform.

I’d like to share some feedback re: new uniform with you…

"Hi Lena,

I can’t tell you how thrilled I am with the new uniform. It looks better than I anticipated and any concerns I have, have been allayed.

I was one of the persons, complaining about the old uniform on the school surveys so I felt strongly that I had to embrace the new uniform - and I have done so with gusto!

We have literally thrown out worn out items of uniform and passed on lots of perfectly fitting / wearable “green” uniform - but I couldn’t be happier!

My kids are so happy and proud in their new uniform."

Friday 18th October

- 3.00-3.45pm: Uniform shop open

Friday 25th October

- S.R.C. “Chill Day” - Icy poles/watermelon on sale at lunchtime
- School Disco - 5.30 - 9.00pm
And another one…

“I just got stopped, on my way back to the car park, by a grandparent, complimenting me on the uniform and how great it looks...and how lovely my daughter looks in the new dress. This grandparent said, "good on you and well done, it looks terrific." I am getting multiple comments daily. People from outside our school are also commenting on how good it looks.”

ICT at Donvale PS  
Donvale PS is boasts a very forward thinking approach to its teaching and learning programs. This year, we incorporated iPad technology across the whole school where all our students now utilise iPad technology to support their literacy and numeracy learning. The 1:1 iPad program in our Year 5 / 6 classrooms supports the students’ learning across all areas of the curriculum including our innovative ‘Donvale TV Live.’ I am now extremely pleased to announce that our ICT department is extending the school’s iPad program to the Year 3 / 4’s where a BYOiD (Bring Your Own iDevice) will be introduced in 2014. More information on this is available in this newsletter.

Twilight Working Bee  
November 14th is the date set aside for our final Working Bee for 2013. With the recent implementation of Daylight Savings, we have planned a Twilight Working Bee commencing directly after school on this day and finishing up at 7.00pm with a lovely sausage sizzle provided by our Parents Association. Please add this date to your diary and let’s aim to make our final Working Bee for the year the best ever! Our ‘Expressions 242’ Art Show will take place over the following two days. As such, we are expecting many visitors to our school over this time so getting our school looking its very best will be a priority.

Welcome Back  
We welcome back Wendy Cheesman and Anthea Keep from long service leave. Both ladies have been travelling overseas and had some wonderful experiences. I’m sure they would welcome sharing some of their travel stories with you.

Class Placements 2014  
Another quick reminder that tomorrow is the last day I will be accepting parent requests for student placements next year.

Curriculum Day  
Finally, a reminder that Monday 4th November is a Curriculum Day at Donvale PS. This is a student free day. The teachers will be utilising this day to review their student assessments and plan for their end of year student reports.

Regards

Lena Clark
**General**

**Production DVD**

DVD’s were handed out yesterday. Unfortunately not everyone received theirs as we were short, another order has been placed and we should get them either tomorrow or Monday.

**Student Banking**

DON’T FORGET  - Token Redemption Days are Monday 21st and Tuesday 22nd October at lunchtime. Thank you.

*Mrs Younger*

**State Schools Spectacular**

State Schools Spectacular is going to be televised on Sunday 20th October on Channel 7 from 2.30 to 4.30pm. Don’t forget to watch as Donvale’s sensational State Schools Spectacular Choir will be featuring.

**Term 4 Working Bee**

An early reminder that we will be having our Term 4 Working Bee on Thursday 14th November from 4.00 - 7.00pm. This will be a twilight working bee with the main purpose to tidy/clean up gardens and grounds prior to our Art Show.

We welcome all families to attend and finish with a BBQ and drink.

*Building and Grounds Committee*

**BYOiD iPad Program: Years 3 & 4 2014**

As part of the forward thinking curriculum at Donvale, we are pleased to announce that we are extending the school’s iPad program by introducing a Bring Your Own iDevice (BYOiD) system for Level Three and Four students next year. We will have an information night early in first term when we will explain how it will work in practice, but we want to give all parents advanced notice in order for those who wish to be involved can get prepared over the Christmas break.

BYOiD means that those students who have access to a suitable Apple device can bring it to school and use it to support their learning. Many students already have their own tablets and are eager to bring them to school. Unlike the 1-1 program in Level 5 & 6 it is not expected that every student will have a device. We have a small set of school iPads which can be used by other students if necessary. Students will also work collaboratively in small groups.

If you require any more information, please don’t hesitate to contact the school and speak with the Principal, Lena Clark, or the ICT Co-ordinator, Rick Gordon, or TPL participant, Peter Reiter.

Donvale Primary School presents

**EXPRESSIONS**

Saturday 16 November 8–11pm

An evening to remember to celebrate and showcase the Visual Arts Programme, featuring the creative efforts of all 242 students.

- The quality of the work is exceptional and it's a unique opportunity to proudly purchase a lasting memento from your child’s primary school years!
- The collaborative student collection includes large canvasses, 3D art pieces and metallic collages
- 14 feature artworks to be auctioned live, with smaller pieces available in the silent auction.
- On the night, Stephan Hitchins (our artist in residence) will display his amazing creative and artistic skills by treating us to a Live-Art Performance. He will simultaneously paint three masterpieces during the evening and each of these paintings, worth over $1000, will be included alongside other great surprises in a lucky door prize!! You’ll be in with a chance to win just by coming along!
- $30 ticket includes the Live-Art Performance, Professional Catering: Deakin Estate and Jacobs Creek wines, beer, soft drink, epicurean delights and great Door Prizes, as well as providing a wonderful social occasion for parents and friends of DPS.
- Cash, credit and EFTPOS available on the night

Save the date! Tickets go on sale, Monday 28th October.
Maths Fun for Everyone

Napier’s Bones

You will need
- Scissors
- 4 copies of the Napier’s bones template: http://gallery.mailchimp.com/6ae8427d1f6f3b8d86da57d629/files/napiers_bones.pdf
- Cardboard (optional)
- Glue (optional)
- Paper
- Pen

What to do
1. Thoroughly stick each copy of the Napier’s bones template to some cardboard. This isn’t necessary, but it makes the bones a lot easier to use. The template consists of 10 strips (or bones) separated by heavy black lines. Cut along all the heavy black lines to separate your bones.

Multiplying using Napier’s bones
1. Think of a four digit number – something like 4670.
2. Look at the top numbers on your bones. Grab a bone with the first digit of your four digit number, then one with the second, then one with the third and one with the fourth. Put them side by side in order, on the board if you wish.
3. Think of a one digit number to multiply your four digit number by. Then count down the rows to get to that number – so if you picked 3, read the third row.
4. The row will look something like 1/2 1/8 2/1 0/0. Start from the right side. Write down the right-most digit on a separate piece of paper – in this case it is 0.
5. Then read the next two digits to the left – they are located diagonally on different bones. Add them together and write the result down to the left of your last digit. In this case, the two digits add to get 1. This means our example will read ‘10’.
6. Continue to read pairs of digits, adding them together and writing them to the left of the previous digits. If you get an answer with two digits, only write down the units on your paper. When you add the next two digits together, add a 1 to the answer before writing it down. As an example, for the third digit of 4670 x 3 we would add 8 + 2 = 10. Write down 0, and remember to carry a 1.
7. When you reach the left side of the column, there will be a single digit by itself. Write this down, remembering to add 1 if you need to carry. You’ve finished the multiplication!
8. If you have a calculator handy, you can check your answer. In our example, the answer is 14 010.

What’s happening?
Napier’s bones were invented about 400 years ago by John Napier. They were popular for many years, until much faster mechanical calculators started to appear around 1900. They are remarkably simple – each bone is simply a times table for the digit at the top. Reading down the six rod, you see 6, 12, 18, 24, 30, etc. To simplify carrying, the diagonal lines separate the tens and ones digits.

Happy Numbering –
Luanda Pianta
Mathematics Co-Ordinator
Basketball

4 wins and 0 losses and our first draw for the season. Go Donvale!! Best results ever! The Daffodils ran hard and played a great defence with only 5 players no subs ending the game with a 6 all draw. Huge effort! Well done girls. Daisy’s Kirralee G scored a personal best with 6 points including her very first swish ball! The Delights are sad to say a farewell to Renee T who has had to resign from the team to pursue other basketball commitments. The Delights were used to having Renee dominate so it took them a few minutes to get into gear but once they did well there was no stopping them! Great game with Steffie V scoring 8 points along with Jessica G who shot some very impressive goals from the 3 point line. Well done Delights! The Dinosaurs dig deep and came up from behind to win by 5 points. This week was Donvale’s reward for all the hard work and commitment from all our players. Keep up the good work and above all keep having fun!

Times for this week are as follows:

Dinosaurs: v Milgate Jets @ 2.20pm Disc 2
Daisy’s: v Bev Hill Bluebirds @ 10.10am Leeds St
Delights: v OLOP Flames @ 8.30am Disc 1
Dreamers: v Ser/st.Ch Centaurs @ 10.10am Disc 2
Daffodils: v BYE @ 9.20 Leeds St

Player Profile – Maddison H - Dreamers

Q. How long have you been playing?
A. 4 year

Q. What is your favourite subject at school?
A. Art

Q. What is your favourite food/drink?
A. Hot Chips and Banana Milkshake

Q. Where is your favourite place to holiday?
A. Queensland

Q. What do you love doing as a family activity?
A. Going to Watermark

Information & updates

For more information or general enquiries please contact Diana on 0434 027 144 or email dianamcn@tpg.com.au. Also contact Diana if you have basketball news for the snippets.

Quote of the week

“Play Hard, Play Smart, Play Together”
CRE
In Grades 3 and 4, we have been talking a lot about Jesus.
We have been talking about Jesus as a Person worth knowing. He showed his power and authority over
everything and also showed compassion and care. Jesus is more than just a good person and a good friend. He
is the way to a relationship with God.
Jesus is a Person worth listening to. He had authority even over sickness and over nature as well. He had a
close relationship with His Heavenly Father, so is able to help us to have the same.
Jesus is a Person worth talking to. He wants to be our best friend. He wants to be part of our everyday lives.
How wonderful is that! Jesus wants us to know and trust in Him.
God bless,
Judith Grayden

Junior Chef Club
This weeks session was very good. The children followed the recipes carefully,
checked all the measurements properly and made sure no ingredients were
forgotten.
After that they turned their plain vanilla cake into a masterpiece by using a
white dessert platter, fresh colourful fruits, sauces and ice cream.
We were very lucky that we could borrow so many beautiful platters from the school community which
allowed the children to have a real experience of working in the restaurant style setting.
Their creations were absolutely fantastic, they were well behaved and happily shared with others. Well done
boys and girls, you are a super chefs.
Of course our Christmas party menu was discussed. It wasn't a surprise to us that the children didn't request
junk food. What they want is Tandoori chicken, dumplings and so many other fancy foods. The children
really know what good food is.
Thank you to the Miles and Giannakenas families for their donations. Also thank you to Jaqui Frigo, Niki
Savage, Mr P, Mrs E, Miss Wilson and Martin for helping with the program.
Next week is the turn of group 2 to create plated deserts with us.
Ingredients we need are: lemons and fruits (such as grapes, strawberry,
oranges, cantaloupe and so on).
For our lovely parent helper Kylie Gray we wish you "GET WELL SOON".
We don't cook, we create food.
Liang Dimitroff

Birthday Wishes To
Celebrating from the 18th to 24th October
Ben P, Pavit K, Tommy W
Program Update

Dear Parents & Student,

Children enjoyed healthy pizzas and scrambled eggs made by them. William L from prep helps us set up the kitchen desk with breakfast pretty much every morning. Thanks for your help William. Next week we will be busy with Indian dressing and cooking Indian food as it is going to be the biggest Indian festival - Diwali (Festival of lights) on 3rd of November.

Remember we are in Term 4, so need to follow ‘No Hat, no play’ Policy. Please bring your hat with you every time you are at OSH.

We have been informed of an upcoming curriculum day and are hopeful that this will run too, however, this is dependent on numbers.

When / what / how:

Date: Monday, 4th of November, 2013. Please book prior to Tuesday, 29th of October.

Times: 8.00am to 6.00pm
Cost: $9.00 - $46.00 per child (Not including 50% tax rebate)

What happens: Loads of fun for all ages including art/craft, games, sports, drama, board games and fun with friends.

What to bring: Morning tea, lunch and afternoon tea. Also wear/provide appropriate clothing including hats.

Please Remember: Once you have enrolled into this day there are no refunds for cancellations. All regular before and After Care bookings have been removed.

Please note: we require a minimum of 15 children to run the day, parents will be notified on Tuesday, 30th of October if the day will proceed.

We would like to encourage more children to attend the OSHC program by offering a free session to families who have never been to the program before. All the families must have received the flyer for the same. Feel free to contact us for any of your queries.

Please make sure all enrolment forms are up to date and all medical action plans have also been checked and changed or updated if needed.

Remember bookings can be made right until 12pm the night before, or you can book on the day by calling or leaving the text message but there will be an extra charge of $3.00 for bookings within 24 hours. If you’re ever stuck and would like your child to attend OSH After School Care you can call me or leave a message on 0402 362 443 and I will get back to you. For some reason if you need to cancel the child from attending the after school care session you can cancel online if it is before 24 hours or leave a text message on the program phone (0402362443) if it is on the day.

THE SCIENCE OF BEING A NATURALIST

and draw Australian birds, mammals and marsupials
Donvale Primary School

John Gould and his wife Elizabeth came to Australia in 1838. Elizabeth, using pencils, helped draw pictures for his greatest book The Birds of Australia. The people in Europe couldn't believe the strange and unusual specimens that were here! Learn the Goulds' techniques for drawing realistic Australian birds as well as mammals and marsupials, using charcoal, pen and pencils; design a signature for your artwork; create your own book of original art featuring your Australian birds, mammals and marsupials and learn the science of being a naturalist.

WiseOnes Application for 4th Term 2013
This program is available for all Grade 1 - Grade 6 children who have qualified for WiseOnes.
The unit for fourth term commences week beginning Monday, 14th October, 2013. The unit will run for 8 weeks commencing: 14th Oct; 21st Oct; 28th Oct; 4th Nov; 11th Nov; 18th Nov; 25th Nov and 2nd Dec.

I wish to enrol my child in the unit "The Science of Being A Naturalist" commencing week beginning Monday, 14th October, 2013.
I give permission for a copy of this slip to be handed to the WiseOnes teacher.

Child's Name __________________________
School: ______________________________
Date of Birth ________________________ Class (2013) ________
Parents' Names _________________________
Address ______________________________
Phone: BH ___________ AH ___________ Mobile ___________ Email:

My child has already qualified for WiseOnes _____ YES/NO
I would like a free test for my child _____ YES/NO.
I would like my child to be tested with a fuller assessment to qualify for WiseOnes (assessment cost $200 inc GST).

Please send this slip and payment of $220.00 on Tuesday, 8th October, 2013. As we are a non-credit business, children will not be accepted into the program for the term unless the fees and enrolment form are returned by the above date.

If paying by cheque please make it payable to Donvale Primary School.
For further information please contact Pat Truscott on 9326 6441 or Mobile: 0407 313 657.
