Welcome to the Donvale Family

It was a red letter day for 42 new Donvale P.S. Foundation students on Monday 3rd February. They arrived looking resplendent in their shining new uniforms proudly displaying our school’s new colours. Once inside the school building it was a seamless transition to the start of their school life. Our spacious Foundation classrooms easily accommodated Mums, Dads and Grandparents who spent some time chatting with and observing their little one before their teachers officially began the day’s activities. The grown-ups were then invited to the Library for light refreshments to settle the nerves perhaps or just to reflect on the importance of the occasion. Thanks to the P.A. for organising this. The smooth transition to school life is a credit to parents, Kindergarten and Foundation teachers for preparing the children so well. Whether it was a family’s first child starting at Donvale or their last it will always be a very special day. We wish all families a happy and exciting seven year educational journey with their child through our school. A special welcome is extended to those families who have joined our school community for the first time.

Staff:

Donvale is very pleased to welcome Emily Wallis to its staff. Emily, a graduate teacher, will join Rick Gordon and Lashay Cartledge in the Level 5/6 area. Emily comes to our school highly recommended by the Principals of the local schools where she completed her pre-service work placements. Her strong ICT skills will be well utilised in the Senior School. We all hope Emily has a wonderful time teaching at Donvale.

We welcome back Bec Signorini to our staff. Most people would know that Bec spent last year at home caring for her 2 young boys. This year Bec will be working 3 days a week sharing a Level 1/2 classroom with myself. It’s great to have Bec back in the fold. We all know how highly regarded she is by the Donvale school community.

John Pianta will be teaching PE only this year, after many years of having the dual role of classroom teaching and PE. John will work 2.5 days per week. We wish him all the best with this new chapter in his life.
Parent Information Evening:

A Parent Information Evening will be held for all levels of the school next Wednesday 12th February. This will provide the opportunity for all parents to hear their child’s teacher discuss classroom programs, routines and expectations for 2014. The timetable for the program is as follows:

Foundation – 6.00 – 6.30 p.m.  (Foundation classrooms)
Level 1/2 – 6.40 – 7.10 p.m.  (Library)
Level 3/4 – 7.20 – 7.50 p.m.  (Senior Building)
Levels 3/4 & 5/6 – Ipad / BYOID combined session – 7.50 – 8.15 p.m.  (Senior Building)
Levels 5/6 – 8.15 – 9.00 p.m.  (Senior Building)

Please note that all specialist teachers will be attending and presenting briefly at each Information session.

School Fair:

Presently Jo Wood is leading a team of sub-committees that are all working very energetically towards making our School Fair a huge success on Saturday 29th March. If you would like to know more about the organisation behind this School Fair then you are most welcome to come along to the next PA meeting to be held in the library on Monday 10th February. A Donvale School Fair Information Pack will soon be coming home to every family. This information pack will explain what we can expect on the day and outline how all families can provide assistance over the duration of the Fair. Thanks to our hard working school community for their efforts in making this School Fair possible.

Lena:

I am happy to let everyone know that after most successful surgery Lena is making a very steady recovery at home with the wonderful support of her family and friends. Lena would like me to thank everyone for their kind wishes. We look forward to her return to Donvale in the near future.

2014:

All our students have settled in very well to their new classes and we look forward to working with you throughout what will be another exciting year of learning at Donvale. As always your support with all our programs is much appreciated.

Getting to Know You Interviews

Parent Teacher Interviews have been scheduled for Tuesday 18\textsuperscript{th} and Wednesday 19\textsuperscript{th} February. They will take the form of briefing where you will be able to pass on any relevant information about your child, in order to prepare your child’s teacher for the year ahead. Bookings will be accepted online starting Monday 10\textsuperscript{th} February at 9.00 am. Go to www.schoolinterviews.com.au/code to complete your booking. The booking code is LN8RT. We have allowed five interviews per hour, so if you require more than the allotted time, please make another time to continue the interview.

Timetables

I have uploaded all the new class timetables to the school website, so if you want to know what your child is doing and when, go to the Parents tab on the top menu and open the Year Level Information page at donvaleps.vic.edu.au

Uniforms

Just a reminder that whilst this is a transition year for the new academic school uniform, all students are expected to wear the new sports uniform on the days they have Physical Education or Sport. The Uniform shop is open on Friday afternoons. The days they will need to wear the sports uniform are:

- Wednesday – All 5/6 classes
- Thursday – 1/2J, 1/2W, 1/2SM, 3/4E, Foundation, 5/6 Sport
- Friday – 3/4 Sport

(Foundation students have two 30 minute P.E. lessons each week)

Car Parking

We have three car parking spaces reserved for Visitors to the school. They are set aside for couriers, tradesmen, sales reps and parents on school tours for new enrolments. They also allow for vehicular access to the junior side of the school. Please leave them free for genuine visitors to the school, and don’t use them when dropping off or picking up students.

Computer Software

Parents often ask our teachers for advice on ways that would help improve their children’s understanding of Maths and English.

We recently had the opportunity to view a program by Kinetic Education, an Australian company based in Melbourne. They provide a Personal Tutor Program, which supports the Australian Curriculum. We plan to make use of this program in the school in several different ways. In addition, this program would prove useful for students who have a need for revision or for students who can extend themselves and forge ahead.

Whilst we are not in a position to recommend or promote any materials, I understand that parents might like to know that this program is available, and for them to decide if it may be beneficial to their children. There is a cost involved, but it might be a solution for those parents who are already considering using a tutor for their child.

The link below will give you more information about Kinetic Education and their tutoring program.

General

FROM THE OFFICE
PAYMENTS

With the start of the New Year it is timely to be reminded of some routine procedures. As you can appreciate we have a lot of notices and money coming into the school for fees and other activities. When sending money into school please put all money into an envelope that has your child’s name, class and the activity you are paying on it. Seal this envelope securely – this helps the loss of those gold coins out of the side. The envelope needs to be handed into the classroom teacher, who will gather up all the payments and send them securely to the office.

Credit Card Payment: The Commonwealth Bank has updated our eftpos machine and now requests us to put in the 3-digit number (at the back of the credit card). This is if you have filled out the credit card payment option on notices or phone in with your credit card details (we will be updating our credit card payment option on notices). If you are not comfortable in doing this, please make use of the BPay option for any payment to school, or you have to come in and swipe your card.

Please DON’T use the Direct Credit payment method, our preferred method of online payment is BPay. Your Bpay number is on your statement or if you do not have it, ring the office. Please remember to let the office know what the payment is for.

Statements

Statements will be sent home from time to time during the year. These are a statement of account and not a bill, and will show your current family balance including outstanding invoices, overpayments and credit notes issued. You can request a statement from the office at any time.

EMA

If you have a healthcare card you are eligible to apply. Application forms are available from the office. You can utilise the EMA to assist with the 2014 school fees. If you are a healthcare holder, you have to apply every year. The closing date for applications is 28th February.

2014 Fees: If you still have to make a payment of school fees, please note the Reading Eggs is only for Foundation to Year 2 students.

UNIFORM SHOP

The uniform shop is open every Friday from 3.00-4.00pm. Order forms are available from the office to fill out and leave for the uniform shop to process.

EMERGENCY CONTACT DETAILS

Parents could you please let the office know if you have changed any of your contact details (work, home and mobile) or address. It is in your child’s own interest that we have our records up-to-date at all times in case of an emergency, etc.

VISITORS TO THE SCHOOL

If you are a parent helper, working in your child’s classroom, working around our school on Parent Association or other tasks, YOU MUST report to the office and sign in our visitor’s book and wear a visitor’s lanyard. We ask you full cooperation in regards to this procedure.
STUDENT ACCIDENT INSURANCE ARRANGEMENTS
Parents/guardians are responsible for paying the cost of medical treatment for injured students, including transport costs. Reasonably low cost accident insurance policies are available from commercial insurers for parents to purchase.

SICK BAY
The school has a sick bay and a number of Level 2 First-Aid Staff. The school is not equipped to look after students who are sent to school already unwell or re-dress old wounds. Sick bay is simply there to deal with children who fall ill or are injured during the course of the day.

We would like to remind all families of their responsibilities in regards to their sick children. If your child is ill or has been ill, please be responsible and do not send them to school until they are fully recovered. Too often students present themselves at the sick bay, quite unwell and on investigation, indicate that they have been away sick or were ill in the morning but the parent/carer decided to send them along, hoping they would improve or be alright. This is not fair to your child and not fair to us. These students need to be cared for by their parents. Thank you for your cooperation in regards this matter.

MEDICATION AT SCHOOL
If your child has to take medication during school hours, a medication authority form has to be filled out. Forms are at the office as well as on the website. Any medication that comes to school has to be kept at the office and not with the student (except ventolin).

Please note: Wherever possible, medication should be scheduled outside the school hours, e.g. medication required three times a day is generally not required during a school day: it can be taken before and after school and before bed.

Asthmatics should have their medication with them at all times.

Anaphylactic students have their medication kept at the office in their named individual bags.

LOST PROPERTY
The beginning of the year, when your children are looking great in their new school uniforms is the time to make sure they are clearly named. The lost property box is in the passage outside the uniform shop in Building A and Building B has a basket at the top of the ramp outside the door.

PERSONAL GOODS BROUGHT TO SCHOOL
Personal property is often brought to school by students and visitors. This can include mobile phones, calculators, toys, sporting equipment and cars parked on school premises. The Department of Education and Early Childhood Development does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property.

We therefore do discourage students and visitors from bringing any unnecessary or particularly valuable items to school.

HEADLICE
Head lice will be a problem from time to time in Donvale Primary School and it is important to work together as a school community to minimise the frustration caused by the problem. If your child has head lice – tell anyone who has had head to head contact with them. Also, it is important to let the school know so that we can advise parents in your child’s grade to check their child’s hair. Half the people who have head lice never scratch their head. If you don’t know about the head lice then they don’t know to look and treat for head lice.
Head lice are not fussy about the heads they live on – they make no consideration for income, ethnicity or hair colour. They live their entire lives on human heads and their entire food and water source is supplied from the scalp.

Head lice have been around for many thousands of years and they will not be eradicated. Head lice don’t fly or jump – they crawl from head to head. This often happens when people play or work closely together.

Head lice (Pediculus humanus capitis) are small (3-4mm) wingless insects, which are common particularly in school aged children. Head lice are a common problem in Australian schools and exact figures on the size of the problem vary.

Eggs can be difficult to see; use a strong light (such as sunlight) and look on the hair shafts. If you are not sure whether an object you find is a head louse egg, try sliding it up the hair shaft using your fingers. Eggs are usually quite difficult to move, whereas dandruff and other items slide easily.

Information pamphlets about treatment and controlling head lice are available from the school office.

Students with long hair are very strongly advised to tie it back while at school.

**STUDENT BANKING**

Welcome back to banking everyone. There are a whole new set of rewards for the year which can be seen at the office. Our new co-ordinator for this year is Mrs Karen Webber (Kirra, 12W). Any questions about banking please don’t hesitate to ask her.

Happy banking.
*Marina Younger*

**SUBWAY LUNCHES**

Subway lunch orders are available every Friday. Students who want to order need to take home an order envelope (available from the classroom or office). Orders need to be returned to school by recess on Thursday (this is when Subway collects the orders).

LATE ORDERS will not be accepted.

Please do not ring Subway as they cannot process your order, it has to be through the school.

**SWIMMING BAGS**

We have a few green swimming bags available for $5.
From The Sports Coach

A very big welcome back to all students and families for 2014.

Our School Swimming Trials for 2014 are on Tuesday 18th February (10.00-12.00) at Carey Sports Complex (Bulleen Rd). Level 5/6 News

Over the holidays we have been busy collecting cheap second-hand sofas and lounge suites to convert the spare classroom in the senior building into a student common room – the ‘Chillax Lounge’.

The Level 5 & 6 students are very excited about it. They have formed a committee of management, and will decorate it with posters and bring in magazines and music. The students are able to use it from 8:45 am to greet their friends and warm up their iPads ready for the day’s work. We will also use it for discussion groups and Literature Circles during school time. We believe it will be another feature of this brilliant building that will add to the feeling of student engagement and general wellbeing at school.
Dear Parents & Student,

Welcome to the new families and welcome back to the returning families. I hope you all had good relaxing holidays and now ready for the new start.

Remember we are in Term 1, so need to follow ‘No Hat, no play’ Policy. Please bring your hat with you every time you are at OSH. Drink lot of water and stay hydrated.

Please make sure all enrolment forms are up to date and all medical action plans have also been checked and changed or updated if needed.
