

Leap Frog Program 2014

A Taste of Primary School.

Enrolments being taken now!

Program begins Friday 9th May!

At Donvale Primary School we recognise that the transition from pre-school to school is a big step for young children. We believe that it is important that children feel confident in a school setting to support a positive start to their formal education.

There will be two Leap Frog sessions during term 2. This program will allow your child to familiarise themselves with school life, teachers and their peers and support parents in their decision making when choosing the right school for their child. There is no cost for the program and it is open to all four year old kindergarten children in the area.

Program for Term 2

Friday 9th May 2.00-3.00pm

Friday 16th May 2.00-3.00pm

While the children participate in fun activities with the Foundation teachers in the classroom, parents are invited to stay, have a chat to other parents. If you can't stay you are welcome to drop your child and return to pick up at 3.00 p.m. from the Foundation classrooms.

To allow us to best organise these sessions, please book a place for your child by calling our office on 98423373. This program was incredibly popular last year so please book early to avoid disappointment. We have also attached a consent form which will need to be returned at the first session.

We look forward to meeting and working with you and your child.
