Welcome back! I trust you have had the opportunity to have a break and enjoy some time with your family and friends.

We had a great start to the 2015 school year last Friday where our children arrived looking fresh, relaxed, happy and raring to go. The staff has been busy over the recent weeks with planning and preparation for the school year. It is promising to be yet another great year where our students will have the opportunity to engage in many wonderful and exciting learning opportunities.

NEW STAFF: This year, we welcome several new staff members to our school. Sarah Hodgson and Tasmin Brown are both new members of our Foundation team. Ethan O’Connor has joined the 1 / 2’s and Serina Lee is our new Mandarin teacher. Jayde Valentine is also a new addition to our Education Support team. All new staff has made an impressive start to the school year and are enjoying getting to know their students and community in general. Please make the time to introduce yourself to our newest staff members and welcome them aboard.

FOUNDATION ’15: Our Foundation students commenced school on Monday of this week. It was wonderful to see their excited faces as their parents brought them into their classrooms proudly dressed in their school uniform. Our larger classrooms easily accommodated all the parents, grandparents, family and friends who came along to be a part of this very special day. After taking some photos and for some parents, a hesitant goodbye, the parents were then invited to come into the staff room for a cuppa to help settle the nerves or perhaps rejoice! The smooth transition into school life is a credit to our Foundation staff, parents and Kindergarten teachers for preparing the students so well. In fact, the only tears I noticed were that from some of the dads! Whether it was a family’s first child starting at Donvale or their last, it will always be a very special day. We wish all families a happy and exciting seven year educational journey with their child through our school. A special welcome is extended to those families who have joined our school community for the first time.
‘GET TO KNOW YOU’ PARENT / TEACHER MEETINGS: These meetings are taking place on Tuesday 10th and Wednesday 11th Feb. Please add these dates to your diary. More information will be coming home today. These meetings with your child’s teacher are an opportunity for you to meet and discuss any relevant information regarding your child that will support the teacher in better planning a more personalised teaching and learning program.

FOUNDATION PARENT INFORMATION EVENING: All Foundation ’15 parents are invited to the school for an Information Evening presented by our Foundation teachers. This session will provide our parents with more detail on curriculum, school routines, and ways you can help in the classroom. More information will be going home shortly. We look forward to seeing our Foundation parents at 7.00pm on Wednesday 11th February in the School Library.

SNIPPETS NEWSLETTER: From this year, our Snippets newsletter will no longer be available in hard copy format. Parents wishing to access our newsletter can do so via our website and / or have a link forwarded directly to their email address. If you would prefer this option, it would be appreciated if you could provide your email contact to Wendy Cheesman, our Office Manager, as soon as possible. As a school that is focused on modelling sustainable practices as much as possible, I’m sure you would agree that this is a very positive move for our environment by our school.

SHADE SAILS: A lot has been going on around the school over the past couple of months with lots more yet to come. The shade sails in the junior and passive play areas are being installed making this area a more inviting and sun safe area for our students. With support of parent fundraising and our recent success in gaining a $10,000 grant from Carlisle Homes (thank you to everyone, particularly Jacqui Frigo, who supported our efforts with this), we are looking now also to be placing shade sails over the senior play area in the very near future.

TOILET BLOCK RENOVATIONS: At the end of last year, we were fortunate to receive Departmental funding to renovate our toilet blocks. I know many members of our community support me in saying that both toilet blocks are in need of much work in bringing them up to an acceptable standard for our children. With limited funding, we have decided that the junior toilet blocks will be totally renovated and the middle school toilet blocks to be blocked off and used temporarily as storage rooms. We are also looking at having both breezeway areas and drinking taps updated. This work will certainly make these areas far more aesthetic appealing but most importantly, a far more hygienic and safe area for our students to utilize. The architect has created the plans for the work and is now tendering for builders. If all goes to plan, we hope to have this work completed by the end of Term 1 – fingers crossed!

NEW FENCE / STAFF CAR PARK: You may have noticed our new fence on the staff car park boundary. This area is certainly looking so much better. We are having new staff car park signs being made up so until we can have them installed, a gentle reminder to our community that this is a staff car park only. Staff is often forced to park out in the street when parents use this car park. We would appreciate it if our parent community respected this as parking for staff only.

SCHOOL UNIFORM: It was wonderful returning to school this year to see our students in the full complement of our new school uniform. A reminder to all our parents that there is an expectation that all our students now wear the new Donvale PS uniform. The old green and gold uniform is no longer acceptable to be worn by our students. A reminder also that correct footwear is expected at all times. Black shoes when students are wearing academic uniform and sports shoes (any color is acceptable) during PE and
Sports days only. If for some reason your child is not in correct uniform, a courtesy note to your child’s teacher or myself would be appreciated otherwise parents will receive an ‘out of uniform’ note as a reminder to ensure that correct uniform is always worn by their child. As a community I know that we are all very proud of our new uniform. The wider community certainly make very positive comments of how smart our children are looking. The children are looking and feeling wonderful and are very proud of their appearance and of their school.

**SUSTAINABILITY COMMITTEE:** You may remember that last year we were fortunate to receive funding through a grant that supports sustainable practices. The amount ($7,500) is intended to be used in placing raised garden beds in the vegie garden area and planting indigenous trees along the north boundary line. We aim to shortly be developing the garden bed area and will be calling on community support to help with this development. This is very exciting as our plans enable each grade level to nurture their very own garden bed. The learning in all areas of the curriculum is boundless! If you would like to play an active part in the development of the garden bed area, then our school sustainability team would like to invite you to join them in this work. If you have some spare time and are a keen gardener with some interest in sustainable practices, please complete the form at the end of my Principal’s report and return to the office or your child’s teacher by Friday 13th February 2015. Any community support with this project will be greatly appreciated.

**MOSAIC WALL:** Our school mosaic that sits proudly on the General Purpose building needs completing. Stephan Hitchins, our Artist in Residence 2013/14, is able to attend our school during March sometime. Around four consecutive days of work is all that is required to complete the magnificent work. If you are able to join us on a weekend and a couple of days at school to help out with the completion of this project, please come and see me asap. We can then discuss the further details of days, times etc. As soon as the mosaic is complete, we can then begin developing the garden bed that sits directly below it. When all is completed, it will truly be an amazing and unique piece of art that our school can be very proud of.

**DONVALE PS KIDS MATTER WELL-BEING DAY:** One Wednesday 25th February, we will be holding our first ever ‘Kids Matter’ Well-being Day. During this day, the students across the school will be involved in activities that promote social, emotional and physical fitness. Our school is very proactive in working with our students in supporting their on-going well-being so that their learning ability is at its optimum. Please diary this date as we would love to see you at the school from 2.30 – 3.30pm when the teachers open their classrooms for our families to visit and join in the fun.

Following on from this school event, families are invited to school during the evening from 5.30-7.30pm for our ‘WELCOME BBQ’.

More information is on its way.

Kind Regards

*Lena Clark*
Put Your Bats Out:

Welcome back to everyone after what I trust was a wonderful time with your family and friends over the Summer holidays. It’s been great to see all our students looking so happy and relaxed and ready for the new challenges of 2015. I was so encouraged on the first day with my new class when I asked if anyone could tell me Donvale’s 4 core values. Many hands shot up and the first person I asked was able to recite, Respect, Responsibility Resilience and Compassion. More importantly the children were able to tell me about the sorts of behaviour that would demonstrate these values.

I started to think about an event towards the end of last year, the sad passing of Phil Hughes, an Australian Test cricketer. I didn’t know very much about Phil Hughes the person and had not followed his cricket career closely at all. However, the more I read about him and the more I heard our Captain Michael Clarke speak about him it became very clear the grieving over his passing was all to do with the type of person he was and the strong values he lived by, rather than his achievements on the cricket field, fine though they were.

At this time the cricket community all around the world made the simple, touching gesture of putting a bat out to remember Phil Hughes. Mitchell Leyh, a grade 6 student last year is to be congratulated for making Donvale P.S. a part of this. Please see the photo below.

I wish all families a wonderful 2015.

Ian McKinlay
Assistant Principal and Sports Co-ordinator

2015 TERM DATES

Term 1: 28 January to 27 March        Term 2: 13 April to 26 June
Term 3: 13 July to 18 September       Term 4: 5 October to 18 December

‘GET TO KNOW YOU’ PARENT / TEACHER MEETINGS

Donvale PS is offering Year 1 – 6 parents the opportunity to meet with their child’s teacher to discuss and pass on any relevant information that will support the teacher in providing a more personalised teaching and learning program.

When:
- Tuesday 10th February 3.45pm – 5.30pm
- Wednesday 11th February 3.45 – 5.30pm and 6.00 – 8.00pm

Parents are asked to go to www.schoolinterviews.com.au/code to make a booking with their child’s teacher. Bookings will be accepted online starting Monday 10th February at 9.00am. The booking code is MQVPV.

We have allowed 10 minutes for each meeting, so if you require more than the allotted time, please arrange with the teacher.

Please note: All Foundation parents are invited to an Information Evening on Wednesday 11th Feb 7.00pm in the school library.

Year 1 parents from F/1HW are invited to attend an information session on Wednesday 11th Feb at 3.45pm in the F/1HW classroom. Parents will then have the opportunity to make a time to meet one on one with Mrs Wright and / or Mrs Hodgens if they feel this is required.

If you have any queries, please do not hesitate to contact the school.

Regards

Rick Gordon
(Reporting and Assessment Co-ordinator)
General

**SICK BAY**

The school has a sick bay and a number of Level 2 First-Aid Staff. The school is not equipped to look after students who are sent to school already unwell or re-dress old wounds. Sick bay is simply there to deal with children who fall ill or are injured during the course of the day.

We would like to remind all families of their responsibilities in regards to their sick children. If your child is ill or has been ill, please be responsible and do not send them to school until they are fully recovered. Too often students present themselves at the sick bay, quite unwell and on investigation, indicate that they have been away sick or were ill in the morning but the parent/carer decided to send them along, hoping they would improve or be alright. This is not fair to your child and not fair to us. These students need to be cared for by their parents. Thank you for your cooperation in regards this matter.

**MEDICATION AT SCHOOL**

If your child has to take medication during school hours, a medication authority form has to be filled out. Forms are at the office as well as on the website. Any medication that comes to school has to be kept at the office and not with the student (except ventolin).

**Please note:** Wherever possible, medication should be scheduled outside the school hours, e.g. medication required three times a day is generally not required during a school day: it can be taken before and after school and before bed.

**Asthmatics** should have their medication with them at all times.

**Anaphylactic** students have their medication kept at the office in their named individual bags.

**LOST PROPERTY**

The beginning of the year, when your children are looking great in their new school uniforms is the time to make sure they are clearly named. The lost property box is in the passage outside the uniform shop in Building A and Building B has a basket at the top of the ramp outside the door.

**PERSONAL GOODS BROUGHT TO SCHOOL**

Personal property is often brought to school by students and visitors. This can include mobile phones, calculators, toys, sporting equipment and cars parked on school premises. The Department of Education and Early Childhood Development does not hold insurance for personal property brought to Schools and it has no capacity to pay for any loss or damage to such property. We therefore do discourage students and visitors from bringing any unnecessary or particularly valuable items to school.
**HEADLICE**

Head lice will be a problem from time to time in Donvale Primary School and it is important to work together as a school community to minimise the frustration caused by the problem. If your child has head lice – tell anyone who has had head to head contact with them. Also, it is important to let the school know so that we can advise parents in your child’s grade to check their child’s hair. Half the people who have head lice never scratch their head. If you don’t know about the head lice then they don’t know to look and treat for head lice.

Head lice are **not fussy** about the heads they live on – they make **no** consideration for income, ethnicity or hair colour. They live their entire lives on **human heads** and their entire food and water source is supplied from the scalp.

Head lice have been around for many thousands of years and they will not be eradicated. Head lice **don’t** fly or jump – they crawl from head to head. This often happens when people play or work closely together.

Head lice (*Pediculosis humanus capitis*) are small (3-4mm) wingless insects, which are common particularly in school aged children. Head lice are a common problem in Australian schools and exact figures on the size of the problem vary. Eggs can be difficult to see; use a strong light (such as sunlight) and look on the hair shafts. If you are not sure whether an object you find is a head louse egg, try sliding it up the hair shaft using your fingers. Eggs are usually quite difficult to move, whereas dandruff and other items slide easily.

Students with long hair are very strongly advised to tie it back while at school.

**SUBWAY LUNCHES**

Subway lunch orders are available every **Friday**. Students who want to order need to take home an order envelope (available from the classroom or office). Orders need to be returned to school by recess on **Thursday** (this is when Subway collects the orders).

**LATE ORDERS** will not be accepted. Please do not ring Subway as they cannot process your order, it has to be through the school. Parents please note that Subway lunches are now $6.00 (was $5.50). Subway is happy to process orders that still come in the $5.50 envelope.

**STUDENT BANKING**

Student banking will start next week. Students bring in their deposit books to school on a Thursday and it will be processed on Friday. Books are returned to the classroom. Information packs are available from the office. Any questions about banking please don’t hesitate to ask me.

Thank you. Happy banking.

*Jenny Raftopoulos*  (Aaron, 56W; Connor, 34E)

**STILL COLLECTING FOR PAPUA NEW GUINEA**

Donations of old uniform/shoes/children’s books and educational items will be most appreciated as these items are so very limited over there. Thank you to all those who were able to donate items of past green uniform and shoes for PNG. The LaSalle Foundation are very happy to collect and arrange transport/freight. Any items can be left at the school office.

Thank you.

*Jaqui Frigo*
UNIFORM SHOP

The Uniform shop (RHS) has moved to Unit 12/100 New Street Ringwood and the operating hours are 9am to 5pm Monday to Friday (excluding public holidays). Ordering and paying of uniform is directly to the shop and delivery can be requested to the school for children to take home. Orders can be faxed, emailed or phoned through to the shop.
Phone: (03) 9870 1377 | Fax: (03) 9879 3558  Email: www.rhsports.com.au

GROWING HEALTHY MINDS

Welcome back to an exciting new year at Donvale Primary. Things have certainly gotten off to a great start!

We have planned a fantastic Donvale KidsMatter Wellbeing Day, taking place on Wednesday 25th February. See attached flyer.

Staff and the KidsMatter Action Team have decided to introduce a yearly whole school 'Wellbeing Day' to coincide with the official launch of KidsMatter at Donvale Primary.

There are many factors outside of the obvious physical needs of our body that play a significant role in boosting our quality of life. The aim of the 'Wellbeing Day' is to encourage every student in the school to enjoy their life, be healthy, happy, fit and connected to those around them.

Staff and parents are in the process of organising lots of wonderful activities that are good for the mind, body and soul for everyone to be involved in. Stay tuned to Snippets for more information to follow.

If you would like to assist in planning, or throughout the day itself, please approach Miss Cartledge, Mrs Signorini, Miss Wilson, Jaqui Frigo or Lawrie Spooner to offer your time. Thank you!

An intrinsic element of KidsMatter is all about building positive relationships with our community. At Donvale, we have a wonderful community in which we all look out for each other. Our 'Welcome BBQ' on the same evening of our wellbeing day will offer all our Donvale families another chance to connect and get to know the staff and other families in our school. This will be a fantastic opportunity for all of our new families to get to know us. Everyone is welcome!

Miss Cartledge

DPS Skoolbag App

If you already have this app, please make sure you have updated the settings to include the new year levels for your children.

Please download this app to your mobile devices if you haven't done so already. It's a great way to keep in touch with school events, and we will be adding notices, permission and payment functionality in time for next year. Snippets is also distributed this way. If you are running iOS 8, make sure you have updated the app since downloading it, in order to iron out a few bugs.

iPhone & iPad Users: 1. Go to the App Store. 2. Search for 'Donvale Primary School' (If using an iPad, change the dropdown list to 'iPhone Apps') 3. Download 4. Click 'OK' to receive Push Notifications 5. Click 'More' on the bottom right of the app, then 'Setup' 6. Select the Push Categories that apply to you - the Year Level(s) of your children.

Android Users: 1. Go to the 'Play Store'. 2. Search for 'Donvale Primary School'. 3. Install 4. Click 'Accept' for various permissions - no data will be modified on your device. 5. Open the app. 6. Click 'More' on the bottom right of the app, then 'Setup' 7. Select the Push Categories that apply to you - the Year Level(s) of your children.
**We welcome Serina Lee to our team this year. Serina comes with a multitude of skills and experience and is enthusiastic about teaching this year at Donvale Primary.**

**Mandarin**

I have been learning Mandarin on and off since I was 5 years old as I speak a different dialect of Chinese as my mother tongue. I have travelled to many places around the world and am very excited to be sharing my passion for language learning and understanding the many aspects of culture with the students, teachers and wider school community in 2015 – the year of the goat!

As well as getting to know the students this term, I plan to explore and reflect on some celebrations and customs (especially with the Lunar New Year approaching). I am also looking to make meaningful links with students’ homeroom inquiries throughout the year.

*Serina Lee*

**Visual Arts**

This year will be my 11th year at Donvale Primary School. I have enjoyed getting to know a lot of the students over their primary years and love seeing their development in the arts. The students at this school are so fortunate to have such wonderful Arts and Language programs where they learn and are immersed in a huge variety of skills, techniques and experiences.

This term we will be focusing on ‘Mark Making’. This will involve, line, shape, pattern, design and lots of fun art activities to develop these skills and techniques. All classes from Foundation to Year 6 will have one hour visual art sessions in the art room. You are welcome to come and visit before or after school on Tuesday, Wednesday or Thursday and see some of the excellent masterpieces being created.

*Bernadette Towan*

**Performing Arts**

I have been teaching at Donvale Primary for about 12 years and have enjoyed seeing the Performing Arts area growing in that time. Our wonderful array of instruments is well used each week and our three Choirs and Marimba Band get to perform at various functions throughout the year.

This term in our classroom program the focus will be on DANCE. Each grade will be learning movements appropriate to their age and ability so we look forward to many fun sessions together!

For new parents:

Performing Arts lessons are held weekly for each grade (1 hour).

Choir is an optional extra for students from year one and above. Each choir meets at lunch times – Junior Jammers (years 1/2) on Tuesday, Music Makers (years 3/4) on Wednesday, and Super Seniors (years 5/6) on Tuesday. More details will be handed out in the coming week. Marimba band is for students in year 5 and 6. This group will meet at Wednesday lunch times.

Private tuition is available for a wide range of instruments through Wonnies School of Music. Information sheets are available at the office. Please feel free to call in to see me in the Performing Arts room or have a chat in the yard any time.

*Anthea Keep*
Donvale Primary School is having a ‘WELLBEING DAY’

When: Wednesday 25th February
Where: Donvale Primary School

All our students will have the opportunity throughout the day to engage in a range of activities that promote and support their social, emotional and physical wellbeing.

Parents are invited to visit the school and classrooms from 2:30pm to 3:30pm to join in the fun.

Following this special day at school...

all our family members are invited to join us for a ‘WELCOME BBQ’

as we continue to build on our positive school community!

BBQ provided When: 5:30 – 7:30pm. BYO drinks
Welcome back to school everybody! It has been great to see all your smiling faces back at OshClub this week and to hear about your holidays. Special welcome to our new OshClubbers - Cyrus S, Seth G, Georgia Rose G and Pearce G.

The highlights of our first week have been creating a giant “Welcome to OshClub” sign, practicing our Badminton skills and sewing craft. Alfie and Sandiv designed and sewed teddies complete with their own outfits. We are now making pencil cases. I am very proud of everyone who has begun to sew this week. They have shown excellent perseverance and creativity.

Next week we are celebrating Random Acts of Kindness week and Valentines day. We will be running a Kindness Mission to see who can do ten or more random acts of kindness over the week and lots of other fun activities. Have a look at the time table below.

New parents and students: Please feel free to drop in at any stage to orientate yourself with the program and to meet the staff before your first day at OshClub.

Remember to bring your hats everyday as we follow “No hat, no play” policy in term 1.

Thanks,
Kate

Remember bookings can be made right until 12pm the night before, or you can book on the day by calling or leaving the text message but there will be an extra charge of $3.00 for bookings within 24 hours. If you’re ever stuck and would like your child to attend OSH After School Care you can call me or leave a message on 0402 362 443 and I will get back to you. For some reason if you need to cancel the child from attending the after school care session you can cancel online if it is before 24 hours or leave a text message on the program phone (0402362443/98422261) if it is on the day.

Please remember to update the contact details (Especially the phone numbers and address) on the enrolment form if there is any change. You can do so online.

OSHC program phone: 0402 362 443/9842 2261

Coordinator: Kate

Assistants: Caroline and Jennifer

OSHClub Head Office: 03 85649000

All families must be enrolled to attend the program, remember this is Free!! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.
Please do not use them as a drop off point. Please respect other parents driving ways.

Even the Disc car park are all good choices for parking. Eriteria St, Ella St, Arraga St, Mariga St.

Walk on the walking path throughout the drop off zone. Watch out for those who are not using the area.

The drop off zone is not a parking area. No parent should drive at under no circumstances. Please leave those off the area.

Arruga Street and exit via Cervantes/Ellis Street. The drop off area is one way only. Either way, easier for you to pick up and drop off your children.

This Drop Off Zone has been developed to make it safer for children.

Ensure these signs are being adhered to.

Surrounding streets: Police patrol regularly in all.
Birthday Wishes To

---

**FREE LESSONS**

Friday Feb 13 & Saturday Feb 14

Bookings Essential. Please call Lisa on 0407 050 060

**KINDER KIDZ** is a starter program for Kindergarten children.

Professional coaches combine fundamental motor skills with a game based approach which introduces the children to the wonderful game of tennis.

**HOT SHOTS** is for Primary School aged children who want to learn the game of tennis. These classes use tailored equipment, including smaller courts, racquets and low-compression balls, this ensures the children are introduced to tennis in an environment that is suited to their age and skill level and it makes learning tennis fun and easy.

---

**ANZ Tennis Hot Shots Clinic at Donvale Primary - Wednesday Feb 18th:**

Students in prep to Grade 4 will all participate in an ANZ Tennis Hot Shots clinic at school on Wed Feb 18th. All equipment will be provided and students will learn some tennis skills and enjoy the sport of tennis with qualified tennis coaches from Slamin Tennis & Fitness.

All children are invited to redeem a FREE t-shirt as part of the clinic day:

- register as a new participant.
