Today we celebrate Donvale PS as a ‘KidsMatter’ school with our annual ‘Wellbeing Day’ which culminates in a wonderful community ‘Welcome BBQ’ this evening. Throughout the day, the children have been engaged in a plethora of activities that supported their physical, emotional and social wellbeing. As I wandered through the school during the day, I saw the children very much engaged in their activities, quietly chatting, smiling and enjoying each other’s company. It was wonderful to see.

We welcomed football legend, Chris Johnson, who officially launched the day. We were indeed very fortunate to have the support of such a wonderful sporting role model. Chris talked about having a dream and never giving up on that dream; to believe that it is achievable, to stay positive and to work hard. Very wise words indeed. Chris also talked about making mistakes and that it is OK to make mistakes as long as we learn from them. We are very grateful to Chris for taking the time to visit us and share in our very special day. We are also grateful to Lawrie Spooner and Karl Schneider for organising his visit. Thank you.

During the day, our children enjoyed participating in activities such as team building games, making stress balls and calming bottles, boot camp, treasure hunt, mindfulness meditation, story time, mindful colouring - just to name a few. We even indulged in some hand and foot massage, yummy fruit skewers (thank you Gus from Tunstall Fresh Fruit and Veg Market) and ‘free hugs’ from our SRC. Ruby the therapy dog with owner Jason, visited every classroom to bring some more joy to our day. Several parents attended an info session by Miss Cartledge and two past students, Mitch L and Abby M, on Practical Mindfulness and Mediation. Another parent session was held in the afternoon which helped parents learn a range of quick and effective techniques on staying cool, calm and collected when kids are being just kids! This session was facilitated by Alison Burton from Simply Natural Therapies. The staff was also treated to an amazing morning tea presented to us by members of our parent community. Thank you so much for thinking of us!

While we enjoyed the activities and had a day of fun and excitement, we remember that the message through ‘KidsMatter’ is that we seek to instil in our
children the skills and strategies needed to cope when faced with different levels of adversity. At some stage in our lives, we all face some degree of pain, hardship, sadness and anxiety. It is important that our children learn to cope with such conditions and to become strong and resilient young citizens of our world.

We are looking forward to this evening where we will finish off our great day with a family ‘Welcome BBQ’. The entertainment for the evening is being presented by ‘The Big Samba’ and by our parent / staff band, ‘The Write Staff’ – and what an excellent band they are! Thank you, in particular, to our parent members Phil Vasiliadis on bass and Richard Van Gramberg on lead guitar. Staff members, Rick Gordon, Meagan Wilson, Ian McKinlay, Anthea Keep, Peter Reiter and Michael Chigros – thank you for sharing your talent with us.

Thank you, in anticipation, to the many families who will be joining us tonight to help make our Wellbeing Day even more special. It is such a terrific way for us all to get together, relax and take the time to get to know each other a little more. Donvale PS is such a great community and its days like this that we really get to see just how great we are together!

A day like today doesn’t just happen. Many hours of hard work and preparation by many people goes into the planning of the day. Firstly, I would like to thank the very hardworking staff of Donvale PS who always pulls together with such positivity and enthusiasm to have a go at providing new and different learning opportunities for our students. A big thank you to our ‘KidsMatter’ Action team, in particular Lashay Cartledge and Bec Signorini for their strong leadership and passion in delivering this initiative to our school.

Donvale PS is known for its very supportive community and without it, days like the Wellbeing Day would not be as brilliant as they are. The staff of Donvale PS would sincerely like to thank all our parent helpers in particular, Lawrie Spooner, Jaqui Frigo, Stephanie Patterson, Renee Spiroch and Nicola Leyh. Also a huge thank you to the members of our Parents Association who always manage to organise the best BBQ’s in town. It was such team effort with so many more parents involved in the day - just too many to mention. - You are all wonderful!

Badge Ceremony Tomorrow’s Assembly will welcome local member Ryan Smith who will be presenting our School Captains, House Captains and SRC representatives with their school badges. This will be a wonderfully proud occasion and celebration of these students as leaders at our school. All members of our community are welcome to attend. We look forward to seeing you there.

2016 Education Week Each year, Donvale PS celebrates Education Week with an Open Day. This year Education Week will take place week commencing Monday 16th May with our Open Day scheduled for Wednesday 18th May. We are getting in early so that you can place this day into your calendar and plan around it so that you can keep yourself free to join in on the celebrations that take place.

Science and Technology Lab Our new Science and Technology Lab is really starting to take shape now. In the Lab, various Science Stations are being developed with themes of Chemistry, Biology and Technology - all providing our students with a creative and hands-on approach to discovering the wonders of Science. A very big thank you to Mr Garcia and Mr Chigros- Xeni for all their hard work in preparing this room for our students. It is a very exciting place to be.
Please feel free to pop by and check it out – but stay tuned because there is lots more planned for our Science Lab. We have only just begun....

**Pre-Loved Uniform Buy & Sell**

Donvale PS now offers families a way to connect with others in our school community to buy and sell pre-loved Donvale PS uniform items through our new Facebook group. Here you can sell your child's outgrown and surplus uniform items or pick up quality pre-loved items at a significantly lower cost to retail prices. If you are in need of a particular item, you can also post a 'Wanted to Buy' request to the group for members to respond to.

To join the group, go to

https://www.facebook.com/groups/DonvalePS.PrelovedUniforms/

and click 'Join'. Only Donvale PS families are permitted to join this group (not the general public).

Thank you to Nicole Cooper, a parent, who has organised this Facebook page. I believe it to be a wonderful service to our community which I know many of you will advantage of.

Hope you're having a wonderful week and see you tonight!

21  
Last day Term 1: 2.30pm finish
A MESSAGE FROM THE SCHOOL CAPTAINS

On Wednesday the 17th of February I got the chance to go with the 4 school captains, Mrs Wallis and Mr McKinlay to the Melbourne Convention Centre for the GRIP leadership course. One of my favourite parts was when the loud noise boys came out every once and a while. The last time that they came out they called me out. Along with six other students from other schools we had to make up a dance move each and then everyone would copy. Once I had done that I got a badge saying people to influence.

Overall I had a lot of fun and a big thanks to Mr McKinlay and Mrs Wallis for taking us.

By Rosie W (Captain)

On Wednesday the 17th of February, the other school captains, myself, Mr McKinlay and Mrs Wallis went to the GRIP Leadership Conference held at the Melbourne Convention Centre.

My favourite session was Traffic Light Leadership. Traffic Light Leadership breaks leadership into three parts.

Red means: Things at the school that need to be stopped because they are not good for the students – like bullying.

Amber means: Things that we can slow down on.

Green means: New ideas that we can work on.

Overall this day was a lot of fun and I would love to go to another one.

By Holly M (Vice-Captain)

On Wednesday 17 of February the four school captains went to Nunawading station, to catch a train to The Melbourne Convention Centre in the city. We arrived at Spencer Street station at around 8am. At the Convention Centre over 200 different school representatives were there and more than 2000 kids. At the Centre there were 3 different sessions Bye Bye Bullying, Traffic light leadership and How To Grow as a Leader. My favourite session was the Traffic light leadership because it helped me think about how I can help make our school a better place.

By Josh G (Captain)

One of the sessions was called Bye Bye Bullying. One of the Grip Leadership team members spoke about their experiences at school and how they were bullied as a kid. We also learnt how to say ‘Bye, Bye Bullying’. Some of the ways we thought of to teach others the anti-bullying message was putting ads in DTV, posters, anti-bullying videos and putting ads in Snippets. In the end, we all had a really fun time learning how to grow as a leader. Thank you to Mr McKinlay and Mrs Wallis for taking us.

By Tommy W (Vice-Captain)
**Compass**

Some parents may have experienced difficulty approving their child's absences last week. These issues have now been fixed and all parents will have the ability to log in to Compass and approve any absences that their child may have had. We encourage all parents to log in to Compass to become familiar with how it operates. If you have lost your log in details or need any help with this, please see Samantha in the office.

**2016 School Fees**

A reminder that 2016 School Fees are now due. If payment at this time is a financial issue, please contact the office to set up a payment plan.

**Woolworths Earn & Learn**

Thank you to all of the amazing families who collected stickers from Woolworths last year for the school. Together we collected almost 12,000 stickers! Using the stickers we were able to order a wonderful selection of books for our students to enjoy! Thanks again for everyone’s hard efforts!

**Students Arriving to School Late**

A reminder that any student who arrives at school after 9:00am must be signed at the office by a parent or guardian. Teachers cannot allow students to enter the classroom after the start of class unless they have been signed in. The attendance rolls that teachers mark each morning play an important part in our evacuation procedures. If you child is late and has not been marked present on the morning attendance roll, if you do not sign them in at the office we will not know to look for them in the event of an emergency. It is imperative that we always have a record of your child’s arrival at school so that they can be accounted for during an emergency.

**School Council Elections**

Nominations for the 2016 School Council are now open. School Councils plays a key role in all schools and the role of a School Councillor can be a very rewarding experience. More information about School Council and nomination forms are available at the office. Nomination forms must be submitted by Friday the 4th of March.
Lunch orders start on **Monday 29th February**. Orders available for Monday and Wednesday. Lunches are ordered online from the menu and delivered directly to school labeled with your child's name, class and order details. You can order one day or as many days as you wish over the period of the menu.

You choose either a TWO Course or THREE Course Lunch. There are 30 options within each Course Menu each day.

A TWO Course Lunch costs $7.95 and a THREE Course Lunch costs $9.65 irrespective of the menu choices you make. An information sheet and menu were sent home beginning of this week. If you did not receive one please ask at the office or go to [www.classroomcuisine.com.au](http://www.classroomcuisine.com.au)

**Please note:**
- Subway orders remain for a Friday.
- Classroom Cuisine will not be available on Meal Deal Days at the school.

---

**Thank You**

Thank you to Tom and his team, at Baker’s Delight, Templestowe Village for his ongoing support of Donvale Primary School. They have supplied us with the bread for tonight's BBQ. At the office is an Easter colouring competition they are running. This needs to be returned to Bakers Delight Templestowe to receive a free hot cross bun.

---

**Back to School asthma spike**

Every year there is a well-documented rise in asthma flare-ups and hospitalisations when students return to school after the Christmas break. Asthma Australia has information for parents of students with asthma to help them prepare for school. Asthma Australia's website and social media provide the latest information, including a checklist of what to do to help your child and a survey to complete to determine the impacts for parents/carers.

Asthma Australia recommends that you talk to school staff about your child's asthma and the school's medication policy, provide an Asthma Plan from the doctor and supply a spare reliever puffer and spacer for your child’s use at school.

**Asthma Kids**

Looking for a way to help your child understand more about their asthma or about a friend with asthma? Asthma Kids is an online, interactive tool to help primary school aged children understand what it's like to have asthma and what they can do to help. Watch one of the introductory videos then take Chester’s Asthma Trail. There are prizes to win too! [www.asthmakids.org.au](http://www.asthmakids.org.au)
Hi Level 5/6 Parents,

With Secondary School looming in the near future for your child, it's important to start thinking about where you want their educational journey to continue. As Year 6-7 Transition Coordinator I am already getting invitations for 2017 information nights and high achiever programs from Secondary Schools in the area. If you're unsure of where your family will head after DPS, it's a good idea to attend a few tours and information nights to see what the local schools have to offer. We are lucky to be in the catchment zone for a variety of quality schools, each with different programs to consider.

Many schools offer High Achiever, Accelerated, or Advanced Learning programs for students with strengths in Literacy and Numeracy. Exams for these programs are typically held in Term 1, the year before your child begins Secondary School. Even if you are undecided on a school, it's a good idea to call the schools you are interested in and see if you can get your child into one of their testing dates. We regularly receive feedback on how confident and well prepared the students are from Donvale Primary School.

I will try and keep you up to date with all the different schools’ information as it comes to me. Any flyers or booklets I get will be up on display in the Senior Building kitchen area for you to come and browse through. If you have a particular school that you are interested in finding out more about, it's always best to phone the Secondary School’s General Office directly and they will be able to help you out.

Good luck on your Secondary School quest,

Mrs Emily Wallis
Level 5/6 Teacher
Year 6-7 Transition Coordinator

---

**Year 7 @ Whitefriars**

The staff of Whitefriars College would like to acknowledge the very sound preparation that you have given your students for their secondary schooling.

They are enthusiastic students who have started the year with great energy and purpose. We very much appreciate the way in which you have assisted us with the transition process and see that partnership as being a key to the boys having a successful secondary school experience. You can be justly proud of their efforts.

Mr John Finn
Principal
It is a very busy time for Chaplaincy at Donvale Primary School. We currently have up to 40 students signed up to Chaplaincy/Welfare support in some form. Combined with our KidsMatter initiative, student wellbeing is a large focus for our students.

We have approximately 40 students involved in our Anti-bullying Program (promotional media video). Students have various roles, ranging from acting, to self-designed posters promoting important school values and positive messages. This program is run through Monday lunchtime, with different selected groups working on their part of the video on alternative weeks.

The final product and purpose of this program is to develop a media video, used for school promotional purposes, promoting our Wellbeing and Chaplaincy at Donvale Primary School. Whilst we are working on these scenes, students involved in the acting side of things, have been breaking up into groups, role playing different types of bullying situations and how they can solve it. This way the program is actually teaching school values, skills in dealing with difficult situations, resilience and how to solve issues of bullying. The kids are part of finding a solution to these issues, and when they can contribute to the solution, they own it! The program also teaches drama and performance, plus leadership roles for some students. The program has become very popular and we are excited to see how it develops. A big thank you to Kate Gerrard (from OSH CLUB) and Judith Grayden for volunteering their time to help with this program.

We are currently in the planning stages of implementing our new mentoring program KIDS HOPE. KIDS HOPE AUS has been impacting the lives of children in Australian schools for over 10 years, and is the largest early intervention mentoring program in the country. The mentoring program is aimed at developing the emotional and social resilience in children, thereby enhancing their capacity to learn. One of our wonderful teachers Meagan Wilson was once a mentor herself and speaks very highly of the program.

KIDS HOPE AUS is registered as a 'Quality Assured Program' with the Australian Youth Mentoring Network, and meets or exceeds all the national mentoring benchmarks. It provides an effective, proven intervention for kids needing additional support in schools. Kids Hope Aus proudly partners with KidsMatter and World Vison.

It is a privilege working with so many students at Donvale and seeing the progress students make with all our support programs available. It is fantastic to see students who have gone through difficult times, either with friendships or at home, being able to resolve issues by implementing strategies they have learnt, such as peer mediation, resilience skills and learning how to communicate effectively. They have developed confidence and resilience through these difficult experiences, which gives them life skills as they continue in to high school. Now they have learnt these skills, their overall wellbeing and confidence has dramatically improved, giving them a positive outlook in general.

The saying goes “It takes a village to raise a child”, which is very true! Let's continue to support each other as a school community.

Chantelle Olafsen
Leap Frog Program is back again for 2017 Foundation students!

Foundation students get a great start in their first year at Donvale Primary School. Our extensive Transition Program which supports students understanding of school procedures and expectations, greatly assists the newest members to our school community in achieving this great start. Our transition program commences in Term 4 of the year prior to commencing at school. New Foundation students attend four classroom sessions to gain familiarity with the school and classroom environment. A highlight of the transition program is meeting their Year Six buddy.

At Donvale Primary School we recognise that the transition from pre-school to school is a big step for young children. We believe that it is important that children feel confident in a school setting to support a positive start to their formal education.

There will be two ‘Leap Frog’ sessions during term 2. This program will allow your child to familiarise themselves with school life, teachers and their peers and support parents in their decision making when choosing the right school for their child.

Please note: Your child does not have to be enrolled at Donvale Primary in 2017 to attend the Leap Frog program. There is no cost for the program and it is open to all 4 year old kindergarten children in the area.

Program for Term 2:
1. Wednesday 4th May 2.00 – 3.00pm
2. Wednesday 11th May 2.00 -3.00pm
The Leapfrog Program takes place in the Foundation classrooms.

Your children will be seeing different areas of the school during their activities but please note that drop off and pick up will be from our Junior school building which houses our Foundation classroom. Refreshments will be provided for parents whilst the children are participating in the activities. Parents are welcome to stay and have a chat to other kinder parents or return to pick up their child at the conclusion of the day’s program.

To allow us to best organise these sessions, please book a place for your child by calling our office on 9842 3373. This program was incredibly popular last year so please book early to avoid disappointment. We have also attached a consent form which will need to be returned at the first session.

If you know of any parents that would like to enrol their child into our Leapfrog Program, we would appreciate if you shared the info about our program with them.

Thank you.

Lena Clark
**Rows of blocks!**

Study the pattern of the first 2 rows of blocks and apply it to fill in the missing numbers of the other rows.

```
  11  22  66  22  11
               10
  20  15
```

**Find the pattern!**

Study the first 2 stars in each oval and then complete the 3rd star.
**Program Update**

Dear families,

**New families:** Enrolling your child or children in OSHClub is easy and free. All you need to do is complete an enrolment form online at [www.oshclub.com.au](http://www.oshclub.com.au) where you will have the option of booking as either a permanent or casual user. Once your child is enrolled as you then have the comfort of knowing that the program is available to you anytime and it gives you assurance of knowing your child or children will be cared for in a safe, warm and friendly environment. Please feel free to drop past the OSHClub room any time to introduce your child to the program before they attend. Foundation students will be dropped off and picked up from their classrooms for Term 1 and 2.

**Staffing:** This week we said farewell to staff member Marie Williams. Marie will now be coordinating her own OshClub program at another school. We wish her the best of luck in the new position. Parents please note that there will be some new staff members working at the program over the next few weeks until a permanent assistant is appointed. Please ensure that your child’s enrolment details are up to date so that all staff have current and relevant information regarding grade levels, contact details and medical information.

Remember bookings can be made right until 12pm the night before, or you can book on the day by calling or leaving the text message but there will be an extra charge of $3.00 for bookings within 24 hours. If you’re ever stuck and would like your child to attend OSH After School Care you can call me or leave a message on 0402 362 443 and I will get back to you. For some reason if you need to cancel the child from attending the after school care session you can cancel online if it is before 24 hours or leave a text message on the program phone (0402362443/98422261) if it is on the day.

Please remember to update the contact details (Especially the phone numbers and address) on the enrolment form if there is any change. This can be done online at [www.oshclub.com.au](http://www.oshclub.com.au)

Parent’s Association

Icy Pole Recess – actually only a $1.00 - this Friday @ the Canteen.

Welcome back BBQ & welcome to our new families!
Thurs 25 February – 5.30pm onwards
PA selling delic BBQ sausages for $2.50 & $1.50 soft drinks.
Help still wanted!

Wednesday 2 March - Bakery Meal Deal.
A Dog-gone delicious lunch order.
Choice of Pizza Bread flavors like Hawaiian, Margarita or BBQ, plus a drink for $6.00
Form sent home this week. Put your dough in an envelope & send your order back by Tuesday 1 March.
No late orders possible.

PA MEETING

Lots of great activities planned this Term but we need more ideas!
Meeting Friday 4 March @ 1.30pm in the Library.
Add your creative juices for 2016, volunteer to help with an event, or just listen to discussions.
Everyone welcome. New families encouraged.
Basketball

The Donvale Primary Basketcases – News & Views!

U9 Dribblers: In a tough match, it was great to see the team trying so hard. Well done Dribblers! We can already see everyone’s skills improving and are looking forward to next week’s game.

Under 9 Dynamites - Second win of the season with a 25-0 score line and fantastic team work. All players pitched in and shared the ball around. Great goals to Joseph, Harper, Oliver and a huge 14-point game by Cyrus.

U9 Daredevils - A tough game but wonderful to see the boys working together. Congratulations to Lucas who scored his first basket!

Another good win by the Dolphins, again against their class mates from the Dreamers. Zara and Allie were the scorers and Abigail Coops won ‘Dolphin of the Week’ for being the best team player in only her second game.

Under 11 Girls Donvale Diamonds – The Under 11 girls won their third game in a row. They performed with clarity and brilliance living up to the name, Diamonds. Indi “pocket rocket” Merton shining on the court. Great job girls!

Open Boys - The Dinosaurs played a hard fought match, eventually going down 28-31. Congratulations to Khian on his first match.

It’s tough playing another Donvale Team, but not when you look this good!

Check out the Under 9 girls match on Saturday, with the new clash tops in use. Looking awesome.
