Student Reports:  Our teachers are currently working on mid-year reports for our students. At Donvale PS, we take reporting to parents very seriously and understand the importance of providing you with an accurate account of how your child is progressing academically, socially and emotionally. As such, the reporting process is quite lengthy and follows a logical timeline. Prior to beginning report writing teachers complete student assessments and compare evidence of learning as expected by our Victorian Curriculum. Evidence of learning consists of things that students say, make, write or do that communicate their understanding of concepts and mastery of skills. Teachers use this evidence to make judgments about student achievement along a continuum and enter this information into our assessment and reporting programs. As well as student learning being plotted on the continuum, comments are also added to further clarify or explain to parents what their children have achieved and possible areas for improvement or future learning. After a proof-reading process is completed, reports will be made available online to Parents from Friday June 17th in readiness for the Parent / Teacher interviews scheduled for Wednesday 22nd and Thursday 23rd June – with Wednesday being the late night interview day. I would like to take this opportunity to thank our teachers for their time, energy and effort in writing their student reports. It takes many hours of work most of which is done in the teacher’s own time. I know that the upcoming Queen’s Birthday long weekend will be spent by our most of our teachers writing student reports not to mention the many late nights they have spent during the term. They are also continuing on with their full teaching program and are now beginning to plan for Term 3. We are very fortunate at Donvale PS to have dedicated teachers who always focus on the students ensuring that they provide the best learning opportunities for them. I am very grateful, as the Principal of Donvale PS, to have such a committed staff. I know our parent community will also agree.

At Donvale PS, we know that working together with our parent community provides the students with greater opportunities for effective learning. Below is a list of some suggested activities of what you can do at home to help with your child’s literacy and numeracy learning and support the great work we are doing at school.

WHAT YOU CAN DO TO ASSIST YOUR CHILD AT HOME

• Emailing family and friends
• Using social network sites to communicate with family and friends
• Reading a book series together
• Reading the instructions for a new item together to find out how it works
• Recording family events or travel experiences in a journal or on an online blog
• Writing plays and performing them for family and friends
• Reading, selecting and collecting news articles and creating an album about a sporting team, pet type or leisure activity
• Solving crosswords, word puzzles, brain teasers, playing word games and quizzes together
• Browsing libraries and book shops together
• Making an iMovie on the iPad together
• Following a map or brochure on an outing, including reading the public transport timetables and information signs at public places.

If you are ever looking for fun games and activities I encourage you to look at the following website:

www.education.vic.gov.au/primary

Enjoy making a leisure experience, one with a learning opportunity.

Some helpful ideas for parents: With the ever growing use of computer technology by our children, below are some suggestions / tips on how you can help protect your children and work to minimise potential risks when they engage with online activities at home.

• Get online with your child
• Expect kids to behave well online
• Model appropriate online behaviour
• Praise kids for doing well online
• Use current media stories to start the conversation
• Move kids out of their bedrooms with technology – keep it public
• Know who your kids are connecting with online
• Set rules and guidelines
• Enforce consequences
• Be their ‘friend’ on social media sites
• Help them set their privacy settings correctly
• Take a proactive and preventative stand
• Be aware of strangeness more than strangers
• Know and try the apps and websites your kids are using
• Don’t threaten to take away the technology.

• Remember the world wide web is the biggest public space your child will ever hang out in
• Monitor your child’s online activities as best you can
• Start those difficult conversations today; it may be difficult but it is far easier than dealing with the worst case scenario after it happens.
• Teach you kids to self-monitor online
• Encourage them to speak up about online misuse
• Request both random and advanced access to their online presence
• Consider signing a family internet contract
• Know their passwords
• Educate yourself – don’t be a dinosaur
• Don’t let the technology take over your parenting.
Dates for your diary…

Planning Week beginning Monday 13th June:
Tuesday – Years 3 / 4 & 5 / 6 planning day
Wednesday – Foundation & Year 1 / 2 planning day
Thursday – Specialist teachers planning day

Parent / Teacher Interviews
Wednesday 22nd June, 3.45pm – 6.00pm & 6.30pm – 8.30pm
Thursday 22nd June, 3.45 - 6.00pm
Parents must make appointments via Compass. Bookings open Wednesday 15th June.
More information in this newsletter.

End Term 2 Friday 24th June. 2.30pm Early dismissal.

Wishing you all a wonderful long weekend break.

Lena Clark
Principal

From The Assistant Principal - Ian McKinlay

Planning Week:
Next week all classroom and specialist teachers will be involved in planning their Term 3 units of work across all curriculum areas. In accordance with our whole school curriculum throughlines, all our Integrated Units will revolve around the Scientific and Technological World. The Foundation and Level 1/2 students are looking at Chemical Science, the Level 3/4 students will be learning about the Earth’s rotation while the Level 5/6 students will challenge themselves through their investigation of the Earth’s Forces. Science has become an energetic focus at Donvale this year, due in no small way to the wonderful efforts of Mr Garcia and Mr Chigros who have set up our stimulating stand-alone Science Lab. If you haven’t seen the Lab yet pop in and you’ll appreciate your child’s enthusiasm for it. I can feel a new timetable coming on next term with all teachers very keen to make the most of this excellent facility.

GENERAL

Have you logged on to Compass yet?
Compass is Donvale Primary School's online parent portal.
To log in to Compass you will need to visit:
https://donvaleps.vic.jdlf.com.au

Using Compass you are able to:
- Report your child’s absence
- Stay up to date with what’s going on around the school though Snippets.

In the coming weeks you will need to log in to Compass to book Parent/Teacher interviews and view your child’s report. We will not be issuing printed reports this year, reports will only be available through Compass.

In addition to this, starting next term, parents will be able to make payments and complete permission forms on Compass.

If you need any help logging in to Compass or have lost your password, please come and visit us in the office.
If you have not received your log in letter please email donvale.ps@edumail.vic.gov.au with the Subject Line- Compass Log In to receive you details.

---

Reports and Parent Teacher Interviews

Student reports will be available online via the Compass portal on Friday 17th June at 4.00pm. Portfolios will come home that day as well. Reports will not be printed, but can be viewed online or downloaded as a pdf for you to print at home or send via email to interested relatives and proud grandparents!

Parent Teacher interviews will be held on Wednesday 22nd June 3.45 – 6.00pm and 6.30 – 8.30pm, and Thursday 23rd June from 3.45 – 6.00pm. Bookings will open via Compass next Wednesday 15th June at 4.00pm. Please note that students in classes with a shared teacher will only be required to make one appointment with the Lead Teacher, but both teachers will be in attendance at the interview.

Rick Gordon
Assessment & Reporting Co-ordinator.
How to Book Parent/Teacher Interviews

Parent/Teacher Interviews will be open to book from Wednesday the 15th of June at 4:00pm.

You will need to log in to Compass to book your Parent/Teacher Interview. If you do not have your log in details for Compass please contact the office, or email donvale.ps@edumail.vic.gov.au.

Steps to Book Parent/Teacher Interviews:

Step 1: Log in to Compass

Step 2: Click ‘Book Parent Teacher Interviews’ next to the child you would like to book for.

Step 3: Click ‘June Parent/Teacher Interviews’

Step 4: Click on the time you would like to book. Only the times marked with the green ‘Available’ box are free for booking.
Step 5: Click the blue arrow that has appeared next to ‘No Booking’ to reveal what teachers your child has available to book.

Step 6: Select the teacher you would like to book an appointment with. Please note that if your child has more than one teacher in their classroom, only one teacher’s name will appear.
Step 7: Click update

Step 8: If you have more than one child to book for, you will need to click the ‘Home’ button and repeat that process with your additional children.

If you have any questions or need help booking your child’s parent/teacher interview please contact the office immediately.
INTRODUCING THE SPECIALIST TEAM ...

Michael Hogg - Physical Education

Hello all, my name is Michael Hogg and I feel privileged to begin teaching at Donvale Primary School as the Physical Education teacher. I have been teaching since mid 2009 and have an astonishing love of sport! I currently play football in the winter and cricket in the summer, but have been known to play other things such as basketball, indoor soccer and baseball amongst other things. As well as working here, I also work as the PE and ICT teacher at Tyabb Railway Station Primary School on Mondays and Fridays each week.

Anthea Keep - Performing Arts

I began learning the piano as an eight year old living in Malaysia. Throughout my school years I had the opportunity to try the recorder, guitar and flute, but the piano is still my favourite instrument. I have a variety of music styles is on my iPod and CD collection but I am particularly drawn to African music with its wonderful harmonies and rhythms. Over the past few years I have travelled to both South Africa and Rwanda and experienced the music first hand. My husband Peter and I have two married daughters who live in Melbourne so we are now empty– nesters. Favourite past times include curling up on the couch with a cup of tea whilst reading a good book, going for brisk walks in peaceful surroundings, or meeting friends for a coffee.

Debora DeStefanis - Visual Arts

I feel extremely privileged to be exploring creativity with all the wonderful students at Donvale Primary. The arts allow students to express themselves in different ways, take risks and make mistakes, therefore allowing opportunities for great problem solving. They also offer another perspective on the world we live in, through how we view our selves, our surroundings, different cultural perspectives and contemporary issues.

Prior to teaching I completed a Master of Fine Arts in metals and jewellery. From here I was involved in group and solo exhibitions as well as selling my wares in galleries and boutiques across Australia. A highlight at this time was receiving a grant from the Australia Council of the Arts to attend a contemporary jewellery school in Florence.

At home I have my beautiful husband, two gorgeous children, Harrison who is 10 and Audrey who is 8, as well as a cheeky Caviodle puppy called Ralph whose ability for mischief amazes us.

Serina Lee - Mandarin

你好 (nǐ hǎo)! 我是李老师 (wǒ shì lǐ lǎo shī)! Hi! I’m Ms. Lee! I am very excited to be a part of the Donvale school community for the second year this year! I have spent the past eight years in various different roles within education in Melbourne, Busan (South Korea) and Shenyang (China). I completed postgraduate studies back in Melbourne in 2013, specialising in generalist primary teaching as well as Chinese teaching. I believe learning an additional language is one of the greatest ways to learn and inquire about yourself, about your mother tongue and about the global community we are living in today. I am looking forward to sharing many learning experiences with all members of the school community! On another note, I love music (especially singing and dancing), travelling, playing badminton, keeping up with various sports, keeping informed online and spending time on the beach just as the sun is setting!
Mei Lun - Library Technician
My two daughters came to Donvale 15 years ago, and I have been working as a volunteer in the Library for the last two years. I am looking forward to my new part time role as the Librarian. At home I love doing Chinese Calligraphy and working in the garden.

Rick Gordon - ICT Leadership
Hi, I’m Mr G. and I co-ordinate the ICT program, direct the school production, and help with the Marimba Band. I barrack for the mighty Bombers, and enjoy going to the footy each week with my wife and two sons. I live in Warrandyte and am actively engaged in the community. I have been involved with the Warrandyte Festival for the last 30 years, and run the Warrandyte Carols by Candlelight each year. I also enjoy listening to jazz, funk and blues music and playing the drums.

MATHS FUN AT HOME - Mr Reiter, Maths co-ordinator
Imagine 12 children running into the canteen charged up with the best energy ever invented: curiosity and enthusiasm. Now imagine a temperamental oven, that 2 weeks ago burned our trial pizza but today struggled to cook one! However the children were so well mannered and patient, well done parents!

It was a pleasure for my team to offer a great creative experience, during which the children were artists, whom needed to make their own canvas and then paint it with their favourite ingredients. No rolling pins in sight, we were making pizza the traditional way; no pineapple either, but sausage, bacon, artichokes, grilled eggplant, capsicum, olives, mushrooms and 3 types of cheese and, off course, tomato sauce with oregano to garnish. A feast for the eyes. Some children agreed to try a new ingredient on their pizza and, judging by their smiley faces and clean plates, it was a success.

Next Wednesday we’ll have the last session for the term and we are planning more for next term.

Speaking of which, I have been asked by few parents to organise “parents cooking classes”. It would be a fundraising event, during which we’ll make pasta and fresh tomato sauce from scratch while drinking Prosecco, from 10am until 1pm and having fun in our canteen. If you are interested please come and see myself or Mrs Clark.

First of all I have to thank Michele, my husband, for making such a fantastic pizza dough, donating flour and yeast and his expertise. Thank you to the Loccisano family for their generous ingredients donation. Thank you Vicky Siatos for being my best part in the kitchen (the organised one), to Ellen Fraser and Michelle Kavenagh for their great help. Thank you to Mrs Lucisano for donating the perfect pizza trays. And thank you Mrs Clark for her supervision and support.

Chi cucina con me?

Laura Emozione

Voices dalla cucina

Sophie L. 56W: I really like the dough and really enjoyed making the pizza.
Alyse C. 56W: It was really fun making it.
Giacomo F. FHN: I enjoyed making it.
Chloe C. 12JK: Delicious! It was fun making it.
Luca L. 34G: I loved making it. I really like the dough.
Caitlin F. 12JK: Delicious! It was the best pizza ever and I loved making it!
Kaitlin B. FRC: I enjoyed making it. It was delicious.
Emily B. 12JK: I really liked putting ingredients on the pizza and it was the most delicious.
April S. FHN: It was Good!
James K. 12C: I think it was really delicious.
Giorgia E. 12W: Yummy! I loved it!
Nikita S. 34HW: I think it’s delicious! Now I am going to make it at home.
Program Update

Dear families,

This week the children enjoyed participating in a range of nature activities. These activities were a fantastic way to incorporate environmental perspectives into our program. A highlight of the week was making grass heads, which the children loved! These will be ready to take home at the end of the term.

Recently, the children have been interested in poem writing and maths activities, so we have integrated this into our planning. Next week we will focus on integrating literacy and numeracy into a range of activities, such as maths symmetry activities and acrostic poems.

Staff: Please note that my last shift for the term will be on Wednesday morning. Kate B, who has been working this week, will be coordinating for the remainder of the term. Steph will be assisting at the program.

Remember bookings can be made right until 12pm the night before, or you can book on the day by calling or leaving the text message but there will be an extra charge of $3.00 for bookings within 24 hours. If you're ever stuck and would like your child to attend OSH After School Care you can call me or leave a message on 0402 362 443 and I will get back to you. For some reason if you need to cancel the child from attending the after school care session you can cancel online if it is before 24 hours or leave a text message on the program phone (0402362443/98422261) if it is on the day.

Please remember to update the contact details (Especially the phone numbers and address) on the enrolment form if there is any change. This can be done online at www.oshclub.com.au

OSH Club Head Office: 03 85649000

All families must be enrolled to attend the program, remember this is Free!! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.
WE NEED YOUR HELP😊 - PLEASE DONATE

Trivia Night – Term 3 - Saturday 30th July

We are kindly asking our Donvale families to donate New/Unused/Unwanted items to help us put together wonderful hampers to auction off at our Trivia Night!

We know how generous our families are and that’s what makes the Trivia Night such a successful event, last year raising approximately $10 000 for our school!!!

Tubs have been placed in your child’s classroom and to make it easier for everyone we have allocated a different category for each level. Of course if you would like to donate items from any of these categories we will happily accept them. Please place all donations in tubs and we will collect frequently.

If you have any questions please contact:

Loula Tarenidis (12V/34B/56R) jltarra@hotmail.com ...
Melanie Coops (FHN/12JK/12W) coopsclan@gmail.com
Leanne Maguire (FHN/12JK) leannemaguire@bigpond.com

We thank you in advance!!

**Foundation/Grade 1/ Grade 2**
- Childrens Products
- Girls & Boys toys
- Books
- Stationary
- Board games
- Games (uno/swap cards etc)

**Grade 3/Grade 4**
- Homewares & Gardening products
- Gardening gloves
- Seeds
- Small gardening tools
- Small pots (empty)
- Chopping boards/blocks
- Delicacies – jams, chutneys, etc
- Cheese knives
- Bowls, platters etc
- Wine / Champagne/ sparkling wine

**Grade 5/ Grade 6**
- Women & Men’s Pamper/Beauty items
- Body wash
- Sponges
- Body scrubs
- Nail polish
- Slippers
- Manicure sets / pedicure sets
- Bath bombs
- Perfume
- Men’s shaving products
- Deodorants

Tubs will be in classrooms till 22nd July😊
All aboard the Lamington Train.
Friday Recess - $1.00 Lamingtons.
Also popcorn & icypoles – it’s a delightful destination for all.

Trivia Night – Saturday 30th July - Lock it in Eddie.
Ticket order forms coming soon.

We need Prize donations for Trivia Night – Saturday 30th July.
Do you have a business or know one that will donate services or a product to help out DPS?
Your business will be promoted on the night to the DPS community.
We need your support!!

Ivan Pie Pickup this Friday. Yeah!!
Order pickup from Senior Building after Assembly.
Due to your warm hearts and generosity
PA Fundraising has enabled DPS to purchase 2 pie warmers
& a Dim Sim Steamer. Get ready for some delicious recess & meal deals!

Thursday 16 June Meal Deal Form sent home this week.
Party pies, Sausage Rolls & Flavoured milk.
Moooo’ve your form back to the office before Tuesday 14 June.

Keep up the amazing race with the Silver Coin Challenge.
Monies raised will be purrrrchasing Reading Resources throughout the school. We’re not kitten, it makes a big difference & inspires young minds. Bring on the coinage.

Birthday Wishes To
Alexandra W, Daniel P, Harrison M

Who are celebrating birthdays from the 10th to 16th June
Thanks to our amazing Coaches & Team Managers
for all the work they do for the
Donvale Primary Basketball Program.
It is a well oiled machine, makes the most of the kids skills, promotes health & fitness, & reinforces our wonderful DPS community spirit. It's so much more than just a ball game.
Thanks guys, we appreciate your expertise, time and effort!!

IT'S FINALS FEVER!!! GO DONVALE!!!!!!

Daredevils played and fought hard despite a devastating loss, only losing by one goal in Saturday’s semi final. All players should be very proud of themselves for trying very hard and working together as a team. Special mention to Will who played a physical game and never gave up!! Well done boys!

Open Boys - The Dinosaurs struggled to find their rhythm and played catch up for the entire match. In the dying minutes the boys found traction and managed to claw their way back some, but unfortunately it was too little too late, losing 25 - 30 points. Hopefully the boys find their groove as they move into the preliminary final. Good luck!

Awesome game by the Dynamites winning the semi 23-4 against Beverley Hills. Best teamwork we've seen all year - awesome display of defence and skill. 4-4 at half time but we turned it on in the second half! Goals to Cyrus, Ethan, Harper and Oliver (top score with 9 pts).

U/9 Girls – Dolphins - The girls had their best performance for the year in their first final and had a convincing 26-2 win. They all played so well and it was great to see them play as a team. For the first time this year we had four goal scorers (Zara, Allie, Abi and Charlotte M) but it was the contribution of all seven girls that helped us win. Well done all Dolphins!

Another win from the Donvale Dunkers with an excellent team effort. Looking forward to the Grand Final.
