I love watching the Olympic Games. I love the team sports – Nation vs Nation and the battles between the best in the world. I cheered as loudly as anyone last week when Mack Horton won gold – even though I was watching TV by myself at the time. And it was a replay. I am constantly amazed by the wonderful dedication, the sacrifices and sheer hard work put in by our athletes in the single minded pursuit of their dreams. But I think I am often most impressed by those athletes who don’t win. There were only 5 seconds that separated first from third after riding for over 6 hours in the 250 km road race. And what about that cyclist who after 6 hours of hard riding in tough conditions, finished 5th – about 10 metres behind the winner? What guts to keep striving! And the 36 year old Judo competitor who lost both the gold medal playoff and the bronze medal playoff to much younger opponents. She finished empty handed but she had a real go and no one could have asked for more than the effort she gave. The Olympic motto is: ‘Citius, Altius, Fortius’, which means ‘Faster, Higher, Stronger’. The sense of the motto means that being first or winning medals is not necessarily the most important thing, but that trying and doing your best is a victory in itself.

This might be something to consider when thinking about the ways we can encourage our students / children and acknowledge their achievements.

Cyber Safety: Cybersafety Week this year is taking place during the week beginning 5th September. As an ‘eSmart’ school, Donvale PS will use this week to raise our students’ and community’s awareness of the importance of connecting with the online environment in a safe and responsible manner.

A two hour workshop has been arranged for our Year 3 – 6 students during Cyber Safety week on Wednesday 7th September. The workshop, facilitated by ‘Classroom Connections’ will be interactive, purposeful, informative and highly relevant to our students as they continually navigate their way through the technology and online maze. More information regarding the workshops will be sent home to parents next week.

At Donvale PS, we also recognise that Parents may need guidance in supporting their child’s online activity. As such, we have arranged for a free parent seminar to be presented to our community at our school. Please add Tuesday 6th September 7.00 – 8.30pm to your diaries. The forum titled, ‘PARENTS PROGRAM – RAISING DIGITAL CITIZENS’, is presented...
to support you, our parent community in nurturing your children in becoming positive digital citizens. It will provide parents with practical, easy to use ways to talk to your children about their online behaviour and plenty of approaches you can take to develop positive and productive online citizens. The forum is being presented to us by Catherine Gerhardt from ‘Classroom Connections’. Catherine has presented to our parent community on this topic in the past and we have found her to be extremely knowledgeable and informative. In this fast paced world of technology, I urge you to try and attend this practical parenting seminar.

Please see the flyer attached in this newsletter for more information on this event.

Below is a link from the ‘Office of the Children’s eSafety Commissioner’ that will take you to a parent support page. Please take the time to visit this site and read through the many tips, ideas that you, as parents, can choose to help support you and your child’s responsible, safe and positive use of online technology.  https://esafety.gov.au/education-resources/iparent

In this newsletter, I have attached some information regarding a trending App called ‘Musical.ly’. It provides parents with information they need to know with regards to their children using this App.

**Book Fair:** Thank you again to Karin Moule and the many parents who helped out during our recent Book Fair. With our community’s support, the school raised $978 which will all go towards purchasing more books for our library. Thank you to everyone who supported this year’s Book Fair; it all helps in providing a better learning environment and opportunities for our students.

Hope you’re having a wonderful week.

*Lena Clark*

---

**Some important dates for your diary...**

- **Book Week Celebrations:** Wednesday 24th August
- **Finance Sub Committee Meeting** – Wednesday 24th August 5.30pm
- **Education Sub Committee Meeting** – Wednesday 24th August 6.00pm
- **Cyber Safety Parent Forum** – Tuesday 6th September 7.00 – 8.30pm
- **Writers’ Festival:** Special Assembly Monday 12th September
- **End Term 3** - Friday 16th September 2.30pm dismissal
- **Year 5 /6 Camp** – First day Tuesday 25th October
- **Foundation ’17 Transition** – Commencing Tuesday 25th October
- **Art Show ‘NATURALIS’** - **Friday Nov 11th** – Open afternoon - all community invited
- **Saturday Nov 12th** – Evening event – Adult community members only.
- **Year 3 /4 Camp** – First day Wednesday 23rd November
- **Year 6 Graduation** – Thursday 15th December
- **Carols on the Lawn** – Monday 19th December
This week is Education Support Week and it provides us with the opportunity to say a big thankyou for the tireless efforts of our dedicated Office Staff and Integration Aides at Donvale P.S. As a person first enters the main building of our school they can be assured that they will be warmly greeted by either Wendy Cheesman our Office Manager or Sam Browne our Business Manager. As the saying goes….you don’t get a second chance at a first impression and with these people greeting first timers to Donvale, we don’t need one. Both these people are highly skilled at their respective jobs and deal with a range of issues involving students, parents and teachers in a calm, friendly manner. They are invaluable to the smooth operation of our school.

Our caring, professional Integration Aides, Toni Grimes, Rita Lucisano, Carol Collins and Mary Krcevinac continue to amaze me with the high level of care, support and guidance that they provide to our special needs students at Donvale. As a team they look out for one other and are continually supporting each other with new ideas and strategies to improve student learning outcomes. They not only provide a wonderful support to the student/s in their care, though also the classroom teacher and the parents of these students.

Both our Office Staff and Integration Aides are an integral part of the fabric and integrity of our school and contribute greatly to the social and emotional wellbeing of the school community. This week we applaud them for their efforts and say thankyou.

Ian McKinlay

On the 19th of August we will be having an Olympic themed dress up day. You can come as your favourite Olympic athlete or in a costume that represents a country in the Olympics. 

If you would like to dress up please bring a gold coin donation. The money raised will go to the Red Cross. This fundraiser is an initiative of two level 5/6 groups who are looking at ways to make a difference in the lives of communities that have been affected by natural disasters.

We hope to see all of your fantastic costumes

Holly, Kate, Ben, Lachlan, Sandiv and Rhyan

Hi Donvale community,

This is Harrison M, Christopher M and Daniel S.

We are just wanting to mention that we are holding a car wash tomorrow from 3.30 to 5.00pm. All of the money will go to the Sri Lankan Red Cross to help fund the victims of Cyclone Roanu. So if you think that your car needs a wash it will be $15 for a large car such as 4x4s and $10 for medium and small cars. Hopefully we will see you there.

Lost Bomber Jacket

Christopher F in 12W lost his bomber jacket at their gymnastic lesson last week. It is labelled and is a size 8. Please check your child's label to see if you have Christopher’s by mistake. Thank you.

Thank You

A big thank you to Christine and Andrew (parents of Christopher, Angela and Jessica), Michelle and Matthew (parents of Kaitlyn and Emily) and Moira (parent of Riley) who gave up their time last week to spread some mulch around the school. Your assistance has been very much appreciated.

STUDENTS ATTENDING DONCASTER SECONDARY COLLEGE IN 2017

You will have received a package this week containing important information. Please notify Doncaster Secondary College if you have not received this by the end of August. Also please notify us if your contact details have changed.

As the Year 7 camp for 2017 will be held in week two of term one, it is very important that all families complete the camp paperwork enclosed and return this to the college.

NO LATER THAN MONDAY NOVEMBER 28TH 2016

We look forward to welcoming you to the Doncaster Secondary College community in 2017
Grandparents/Special Visitor Day

Last Friday the Foundation students had Grandparents/Special Visitor Day. It was a special day for the Foundation students as they were able to spend some quality time with their visitors at school, working together and sharing their learning. The morning concluded with a Devonshire morning tea for the visitors.

Special thanks to our fantastic parents who organised the scones and beverages - Kate Smith, Cathy Farrell, Kylie Glover, Melanie Coops, Leanne Maguire, Veronica Wynne and Renee Spiroch.

Hair accessories available from the office

Below are just some of the great hair accessories we have for sale from the office. See the great range on display at the office.
Hooptime 3-4

On Tuesday all of our Grade 3 & 4 students travelled off to the State Basketball Centre in Knox to participate in the Junior Hooptime Tournament. Students played games of basketball all day against teams from Bayswater North, St Berndaette’s and Malvern Primary School.

We had eight teams play on the day in the mixed tournaments, with two teams representing us in the Future Stars tournament, and six representing us in the Rookie Leagues. At the end of the day, it was the Dingoes team, that defeated one of the teams from Bayswater North, that won the Future Stars tournament! Well done to Connor P, Alessio, Lachlan H, Darcy, Harrison, Indi, Kathy, Ruby and Kirra. They will go on to the next stage of competition, which will more than likely be next term.

A big thank you must go to all the parents that came and helped coach, score or be team manager. There are too many to name all at once! It really is appreciated.

Birthday Wishes To

Sandiv W

Who are celebrating birthdays from the 19th to 25th August
Parents Seminar

Make a 90 minute investment in your child’s well-being

Tuesday 6th Sept
7-8:30pm

It’s safe to say that parenting around technology is one of the biggest challenges for parents today. Young people love technology; they use it frequently and in a variety of ways—such as a source of information (60%)*, entertainment (90%)* and for social communication (85%)*.

So how can you nurture your own positive digital citizens in such a connected world?

Raising Digital Citizens provides parents with practical, easy to use ways to talk to children about their online behaviour and plenty of approaches we can take to develop positive, productive and safe online citizens.

The World Wide Web is a wonderful place, however there can be some potential pitfalls. Many parents feel that their children understand the technology better than they do, and chances are they are right. However this important seminar reminds parents not to let the technology take over the parenting.

We can work to develop our children’s digital citizenship in a positive and productive manner when we know the facts.

• Did you know that 94% of 14-15 year olds have at least one social networking site?
• Children as young as 8 years old are meeting up with strangers in online chat rooms
• 40% of youth would change their online behaviour if they knew an adult was watching

Parents are still the main source of support and advice when children are experiencing problems online. Know the facts. Understand your role and responsibilities.

Donvale Primary School is partnering with Classroom Connections to present Raising Digital Citizens.

Office of the Children’s eSafety Commissioner

What parents have been saying:

"Real examples of local incidents relating to cybersafety and digital reputation. Very relevant and had a big impact on me."

Sarah, parent, St Francis Xavier PS

"Practical and relevant information delivered in an accessible and compelling way."

John, parent, Solway PS
Trending App: Musical.ly

Musical.ly is one of the hottest trending apps at the moment for tweens and teens. This app, built on a social media platform and free for users, is ideal for creating and sharing short videos. Musical.ly is a video community that makes it easy and fun to create amazing videos and share them with your followers.

Highlights of musical.ly include:

- Shoot, save and share short videos up to 15 seconds long.
- Create lip sync videos to your favourite songs.
- Edit videos with creative effects and filters such as slow motion, time lapse, reverse and hyper speed.
- Collaborate with others from around the world with the unique duet function.
- Share videos directly to other social media sites such as Facebook, Instagram, Twitter, Vine.
- Discover others brilliant videos created by the musical.ly community.

Although it can appear to be an innocent app, parents do need to be aware that some music videos have inappropriate language as well as suggestive gestures and dancing that they may consider to be unsuitable.

This app is intended for youth over the age of 13, based on content warnings as a lot of the available music and sound bites can contain adult language and innuendo as you hear on the radio. However, when used as it should be (and with parents using it with younger children or at least within eye/earshot), this app can be great for kids as it is easy to use and allows the creative juices to really flow.

Kids select snippets of popular songs and record themselves lip-synching or dancing. Once they have finished recording they can add effects and filters and share them with other “musers”, as well as across other popular social networks.

What parents need to know:

- Accounts are public by default; this means anyone can see their video and anyone can follow them.
- For the highest protection, set the account to private, so that your ‘muser’ can approve every follower and only their followers can see their music videos.
- Once shared, muser-generated videos can be viewed and shared on other social media and messaging apps. This means they may lose control of who sees their video.
- Ensure security settings are enabled and ‘hide location’ has been fixed. This means other musers cannot search for them and they are not identifying their location via GPS.
- Be attentive to the information shared i.e. school or sports uniform, location signs, etc.
On a positive note, musical.ly does promote itself as a fun and safe community. It encourages all interactions to be encouraging as an avenue for creative self-expression, and prides itself on having a positive, passionate and fun community. Millions of users around the world are using the app every day as a creative outlet to express themselves. In June 2016, musical.ly released its breakout livestreaming platform live.ly, providing its community with a broader canvas on which to express themselves.

However, as with any social networking platform there is the risk of inappropriate conduct, communication and/or content. The app is very user friendly and reporting unacceptable use or blocking users is straightforward. To block a user/fan, go to their profile, press on the “...” in the upper right corner, and select “block this user”. You can unblock a user on the same menu. In the unfortunate event that you need to report abuse, click on the three dots (bottom right) of the music clip and select “report abuse”; you will then be asked to select a reason from the menu. Parents can go to http://musicallyapp.tumblr.com or https://esafety.gov.au for further information.

As is similar with other social networks, this app also uses hashtags which are an efficient method to find content related to specific topics, as well as the people talking about those topics. The easiest way for a user to increase their chance of having a featured video is to check the trending hashtags and the discover screen and create great, creative musicals using those hashtags. Users need to be aware that once they start using hashtags their videos are searchable on the public platform, meaning they have forfeited their privacy protection.

Regrettably, some hashtags can take users on a digital journey they may not wish to make; some adult content has been found on the site. This is disappointing as the site strives for a positive community, yet it is a reminder that we must have conversations with our children about what they can do if they mistakenly come across content that makes them feel uncomfortable. Talking to a trusted adult, making a report and blocking a user can go a long way in empowering them to use the app as safely as possible.

Make a plan – don’t ban!

Musically is an awesome app so it’s no wonder that kids love it. The musical.ly iPhone app delivers an instant video experience that lets users take part in contests, follow power users, musicians and celebrities as a way to get started. If your child is the type of person who likes to win and compete in challenges, then they will enjoy this app. There is a rotating list of trending topics that they can compete in and official musical.ly challenges that allow them to show their talent within a focused topic.

Technology is an intricate part of life today and there is a lot of benefit to its use. As a parent it is important to make a plan with them on acceptable use and what you expect around their behaviours when they engage with others. Children’s access to technology often presents opportunities for learning, collaborating with others and expressing their creativity.

‘Live’ art show by Stephan Hitchins
Live music
Raffle, door prize & gift shop
Live auction of class pieces
Catered event with complimentary beverage on arrival
$20.00 PER PERSON

For bookings visit or call school office 9842 3373
Dear families,

What’s on next week?: Next week our theme is Secret Spies and Code Cracking. We will be doing a variety of fun brain buster games such as a Cluedo Tournament, Detective Memory and Decipher the Code, as well as some great craft activities like fingerprint brushing, playing with invisible ink and making a spyglass telescope. We’re looking forward to a fun week of testing our detective skills!

Staff: Please note that Kate will not be at the program again until Term 4. Kate is completing her last teaching placement between 15 August – 16 September. Kate B will coordinate the last 4 weeks of term. Parents please ensure your child’s enrolment and any medical information is up to date to ensure a smooth running of the program during this time.

Remember bookings can be made right until 12pm the night before, or you can book on the day by calling or leaving the text message but there will be an extra charge of $3.00 for bookings within 24 hours. If you're ever stuck and would like your child to attend OSH After School Care you can call me or leave a message on 0402 362 443 and I will get back to you. For some reason if you need to cancel the child from attending the after school care session you can cancel online if it is before 24 hours or leave a text message on the program phone (0402362443/98422261) if it is on the day.

Please remember to update the contact details (Especially the phone numbers and address) on the enrolment form if there is any change. This can be done online at www.oshclub.com.au

OSHC program phone: 0402 362 443/9842 2261
Coordinator: Kate
Assistants: Clare
OSHClub Head Office: 03 85649000

All families must be enrolled to attend the program, remember this is Free!! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.
Eat like a champion at Recess this Friday!
Cinnamon Doughnuts on sale for $1.00. Everyone's a winner.

I dream of Freddos.
Cadbury Freddo Frog Money due back Friday 26 August.

Fathers & Kids Night – Friday 2 September – Save the Date.
Activities & Pizza Dinner. Form coming home next week.

Over 180 kids enjoyed the pizza Meal Deal last week. Thanks heaps to the special pizza delivery mums who sealed the deal & served up the delic lunch.
DPS loves books!

A huge thanks to the DPS community for your support of the 2016 Book Fair. Our new supplier Lamont proved to be a popular choice. We sold more books than last year, & thanks to everyone who attended, we managed to earn over $970 worth of books for our library!!

We also had an extraordinary 34 books donated to our library by families. Your names have been placed onto a bookplate inside the front cover of these books to recognise your generosity. They will be on the shelves in the library soon, ready for the students to borrow.

Its clear - we love the Book Fair almost as much as kittens!

& we love the special mums who worked during the fairest of Fairs; setting up, packing up & selling books; Vicky, Marina, Lula, Georgia, Jenni, Charmaine, Kim, Marita, Loula, Sandra, Virginia, Karen, Tanja, and Wanan.

You rock!!!!!

However, we love Karin Moule even more than kittens!

She worked tirelessly putting the event together & throughout the 3 days.

As usual she gave it her all & did an awesome job.

We gonna miss you next year!

Another incredible DPS Event that further builds our community, enhances our kids education & resources the school through fundraising. Well done everyone.
A big thanks to all the parents who put in many hours of preparation & training; & then coaching & managing on the day @ Hoop Time for DPS.

A wonderful day full of thrills, spills & great fun.
Well done to all the kids for representing DPS so impressively.

Dunkers played a great game to win this week. Good plays and passes ensured the boys put into practise what they learn in training. WELL DONE Dunkers!

The Daredevils had a tough game on the weekend and despite the loss, their passing and “never give up attitude” was fantastic. It is great to see them improving their team play every week. Well played!!

Dreamers had a great win this week, with all the girls playing their best game yet. Ashleigh scored 3 goals and Ebony hit a free throw, while every player got in a steal or two and did some dribbling up the court. Also, kudos to our opposition for sharing their snakes around post-game; excellent sportsmanship!

Daisies had a very convincing win this week with the girls combining well to shoot our highest ever team score of 50. Somehow we still managed to miss lots of easy shots, so we'll be doing plenty of shooting practise at training this week! Great game by Olivia T this week, who showed great passing and shooting skills.

Second win of the season for the Dribblers with a score of 10-2. Great team display with goals to Kade, Aidan and Sam.
